CONSTITUTION

I. Name

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

II. Purpose

The purpose of the association shall be to promote Christian fellowship and co-operation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in a world mission program.

III. Membership

A. The association shall be composed of messengers elected from the churches affiliated with it. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

B. Churches wishing to affiliate with the association shall make written request to the Missions Committee. This committee shall present the names of all churches applying for membership at the annual meeting. Each shall be received without vote under watchcare for one year. The committee shall make a thorough investigation of the petitioning church as to its doctrines, practices, and support of the association, the Baptist State Convention of North Carolina and the Southern Baptist Convention. It shall recommend to the association at the next annual meeting one of three actions:

1. Acceptance of the church into associational membership.
2. Further consideration for action at the next annual meeting.
3. Rejection of the petition.

C. The association may at any time withdraw from any church which it considers to be unsound in principle and practice.

IV. Officers

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, historian, and three trustees. These officers shall be elected by the association at the last session of the annual meeting as the last item of business. The moderator and vice-moderator shall be nominated from the floor. The other officers shall be nominated by the Nominating Committee. All officers shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. The moderator and vice- moderator shall be limited to not more than two successive years of service.

V. Authority

A. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

B. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

VI. Organizations

A. The association shall promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library and other organizations which are in keeping with the purpose stated above.

B. The officers of the associational Sunday School, Training Union, Woman's Missionary Union, Music, Library, and Brotherhood shall be elected by their respective organizations. Each organization shall furnish a list of the officers to the associational

Nominating Committee prior to the annual session. The Nominating Committee shall present these officers to the association for approval at the time of the election of the officers of the association. Those persons selected for officers in these organizations will serve in cooperation with officers already serving until they are approved by the association, at which time they shall assume full responsibility.

VII. Executive Committee

A. The association shall elect an Executive Committee consisting of the pastor and one layman or lay woman from each church in the association. The officers of the association, namely, moderator, vice-moderator, clerk, treasurer, and historian, shall be ex-officio members of the Executive Committee, and shall serve as respective officers of the committee. All other officers and chairmen of standing committees, and the Associational Missionary shall be ex-officio members. (Ex-officio members shall not have the right to vote unless they are also members of the Executive Committee elected as representatives of their respective churches.)

B. The Executive Committee shall attend to all matters of the association between annual sessions.

C. The Executive Committee shall hold regular quarterly meetings. The chief officers of the Sunday School, Training Union, W. M. U., and Brotherhood, along with the associational treasurer and the associational missionary shall make written reports of their work at each quarterly Executive Committee Meeting. The Executive Committee shall make an annual report to the association.

D. The Executive Committee shall elect the associational Nominating Committee at its meeting three months prior to the annual associational meeting.

E. The Executive Committee shall not have power to entitle a church to affiliate with the association or have representation on the Executive Committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

VIII. Meetings

A. The association shall meet in annual session on Monday (afternoon and evening) and Tuesday (morning and afternoon) following the third Sunday in October.

B. The Executive Committee shall have power to change the stated time and-or place of the annual meeting in case of necessity.

IX. Committees

A. The association shall have the following standing committees: Missions, Finance, Program, Calendar, Evangelism, and Nominating.

B. The Nominating Committee shall nominate all of the above committees for election by the association, with the exception of itself. The Nominating Committee shall be elected in the manner described in Article VII Section D above.

C. The duties of the above committees shall be those adopted by the association in 1959 and printed in the minutes of that year. The associational missionary shall provide each committee member with a copy of the duties of his respective committee, along with the names of other members of that committee, as soon as possible after the annual session.

X. ASSOCIATIONAL MISSIONARY

His relationship to the association shall be governed by the report adopted by the association in 1959 and published on page 45 of the annual minutes for that year. He shall make quarterly written reports to the Executive Committee and an annual report to the association.

XI. AMENDMENTS

This constitution and-or bylaws may be amended by giving written notice to the Associational Executive Committee at least three months prior to the annual session. The person wishing to amend will present the proposal at the first sitting of the annual meeting and it will be voted on at the last sitting. A two-thirds majority of the messengers present will be necessary for the amendment to carry.

A. Report of Resolutions Committee.

At this 146th annual session of the Pee Dee Baptist Association we do hereby resolve:

1. That we express to the host churches, the East Rockingham Baptist Church, and the First Baptist Church of Rockingham, our sincere appreciation for their warm hospitality. It was evident to all in attendance that the people of these churches had done everything possible for our comfort and enjoyment.

2. That we express our appreciation to Rev. R. T. Willis, Jr., for his services as our associational missionary during these past 5 years. We pray God's blessing upon him and Mrs. Willis as they continue to labor for our Lord wherever He leads.

3. That we encourage each church in light of the pressing needs of our colleges, to adopt the program of

Christian Education Advance through Cooperative Giving. This calls for each church to increase its gifts through the Cooperative Program by 35% for the years of 1962, 1963, 1964.

4. That we recommend that each church participate in the Baptist Jubilee Revivals in 1962, 1963, and 1964.

5. That our fellow Baptists in Richmond County join with other citizens to vote against the legal sale of beer in Richmond County in the forthcoming referendum in January, 1962.

6. That our moderator be given the authority to appoint a committee to study the possibility of securing an associational camp and to report to the 1962 session of the Association.

7. That we express our appreciation to C. B. Deane, who has served as our Baptist State Convention President, during these past two years for his dedicated and mature leadership in the difficult challenging days that face our church and nation. We pledge to him our continued prayers as he presides over the State Convention in Nov., 14-16.

ANNUAL REPORT OF THE EXECUTIVE COMMITTEE TO THE PEE DEE ASSOCIATION

All the regular meetings of the Executive Committee were held during the past year including one special meeting.

October 31, 1961. In the first meeting the Executive Committee elected the remaining officers and committees to serve during the year that were not elected at the fall meeting. The missions committee was given authority to act as the executive committee in regard to requests for pastors or churches needing financial aid.

February 6, 1961. In the second meeting, the subject was discussed at length concerning the deficiency of the treasury in regard to the missionary's salary and means whereby money could be raised.

Carroll Andrews was elected vice-moderator to succeed Bro. Richard Forrester who had left the association. Gwenn McCormick was elected to fill Bro. Forrester's place on the nominating committee.

April 24, 1961. In the third meeting, it was announced that the minutes had been paid for. Mrs. J. S. Ritter resigned as treasurer and Joe H. Smith was elected to fill this position.

The problem of meeting the associational budget was discussed again. Action was taken to inform the churches as to the amount they had paid in thus far and to encourage the churches to participate in bringing the budget up to date. A special meeting was called to be held in June.

June 12, 1961. SPECIAL MEETING. Thirteen of our 33 churches were represented at this called meeting. A motion was made that each church be asked to make special gift to bring down the deficit. A motion was made that the moderator appoint a committee to contact each pastor as to their opinion of the present program of associational missions and to find out what they were willing to do to support it financially.

July 31, 1961. At this final meeting of the year, the report as to the continuance of the associational missionary was given and the motion was made to terminate the office as of September 30, 1961. Each church was to be informed to the amount needed to pay the missionary up to date and each church was asked to give according to their membership — 25c per member.

Respectfully submitted,
C. R. Yarborough

REPORT OF ASSOCIATIONAL MISSIONARY

The twelve months have passed since we met last year with First Baptist, Ellerbe, and First Baptist, Hamlet, October 17 and 18. Many worthwhile things have been achieved; many other things remain to be done.

"M" Night was perhaps the best attended mobilization meeting ever in Pee Dee. 694 were reported in attendance, with 24 churches represented, and 21 pastors present. Worthy goals were set, and Dr. Douglas Branch brought a challenging message.

Almost one thousand book awards were earned and received during the year. It is likely many other books were studied and no awards received. Bible Study Week in January was observed by a number of the churches, in which the helpful book on First Corinthians by Millard J. Borquist was studied. While the majority of the churches had one or more study courses during the year, several others did not have any stated time for training.

Gibson Baptist Church was host church to the leaders attending the WMU Leadership Course on January 30, 31, and February 1. Several workers went to Fruitland for the Vacation Bible School Clinic on February 1-3. The Training Union Elimination Tournament was held in Second Baptist, Hamlet, on February 28. We hope that still greater interest will be in evidence during the coming years that people may benefit more through this training.

One of the most helpful projects in this association during the past few years was the School of Missions held March 19-24 in fourteen of the churches. These churches taught the Baptist Heritage series of books: **The Dreamer Cometh, His To Command, No Greater Heritage, Sawgrass Missionary,** and **Blue Flower.** Four Foreign, four Home, and six State and Associational Missionaries inspired our people with talks on their fields of service. These missionaries also spoke during the devotional periods over WKDX Radio Station in Hamlet and WAYN Radio Station in Rockingham. Many pastors and other people acknowledged they had receved great help. A number of people made decisions for Christ

through profession of Faith, and others dedicated their lives to serve God wherever they feel led to go.

There have been helpful mass meetings of the Sunday School, Training Union, Brotherhood and Music organizations. When all the churches feel a need for having their members attend these meetings, hear reports of work done, lay out plans for worthy goals to be attained it is likely that the work generally will advance. The Annual Pee Dee WMU Meeting, held in Hamlet, First, on April 19, was well attended. There was a good program, and Miss Willa Dean Freeman, State G. A. Director, and Mrs. Allegra LaPrairie of the Home Mission Board were the two principal speakers.

Several churches have been building extra classrooms, and find that attendance is increasing, and better work is being done. The work at Stewartville Baptist Mission is progressing, with an average attendance of forty. North Laurinburg is planning to establish a mission in the near future. Calvary Baptist in Hamlet is now awaiting bids on the construction of their new auditorium, and expect to begin building around the first of November. There are yet other signs that the Lord's work is advancing.

On the other side of the record are seen evidences that we must become more concerned in the work. Records from the last three Minutes show:

	1958	1959	1960
Number Baptisms	418	310	242
Resident Members	6,951	6,793	6,766
S. S. Enrollment	7,878	7,508	7,565
T. U. Enrollment	2,482	2,211	2,361
Church Music Enrollment	657	763	791
Brotherhood Enrollment	604	513	437
W. M. S. Enrollment	1,374	1,268	1,203
Total Local Expense	$385,954	$411,994	$416,640
Total Mission Expenditures	$71,974	$65,171	$69,171
Cooperative Program Gifts	30,124	32,297	36,152

Dr. Earle L. Bradley wrote some time ago: "On May 4, 1961, the messengers attending the Baptist State Convention meeting in Greensboro, voted a challenging and enlarged program for Christian Education Through Cooperative Giving. The voting is over and now we must act." How are we planning to provide the necessary funds to advance Christian Education for our youth? By increasing our gifts through the Cooperative Program 35% each year for the next three years. We must provide Christian education for our young people. Our Baptist colleges must enlarge and increase their present facilities if the need is to be met.

Other challenges are to be faced with courage and zeal. The North Carolina Baptist Church Achievement Program is the result of much time and effort on the part of dedicated workers to help any church accomplish more and better work in the name of the Master. Ernest C. Upchurch states that many churches trying similar programs of development have reported "more baptisms, more trained leaders, discovery of new leaders, a sense of Christian togetherness, a vitalized stewardship, increased giving through the Cooperative Program of World Missions, improvement of property, long-range planning, and a greater consciousness of world-wide emphasis on missions."

The 30,000 Movement of 10,000 new churches and 20,000 new missions is going forward! "Already 12,796 missions and churches have been started since 1956," the recent September issue of Home Missions Magazine informed us. Many hundreds of these churches and missions have been started in North Carolina. The power and influence of these churches and missions to bless lives and honor Christ are almost beyond comprehension.

Permit these few personal remarks. It has been a wonderful privilege for Mrs. Willis and me to live among and work with the people of Pee Dee Baptist churches during the past five years. We wish earnestly that more good had been accomplished. We hope some good has been done in the work of the Kingdom, and that God will continue to bless your efforts in His name.

Respectfully submitted,
R. T. Willis, Jr.

REPORT ON EVANGELISM

Essentially, Evangelism is proclaiming the good news of salvation in Jesus Christ. This is the primary purpose of Baptist churches. There are many in all of our communities who have never come to know him as Saviour and Lord.

During the past year our churches have been engaged in witnessing for Christ in numerous ways. Evangelistic meetings, worship services, Sunday School classes, group and individual witnessing have been utilized to present the claims of Christ.

Many have been reached by our witness but many more yet remain. We must move forward with a faithful telling of the good news. To move forward we must start from where we are. Our Association is the best launching place for further activities in evangelism.

Therefore the following suggestions are made:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962 through 1964.

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart witnessing and faithful teaching and preaching of the Gospel.

4. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next clinic is February 22, 1962.

5. That extensive follow-up and training programs be started in the churches to help those who are young Christians to grow in the nurture and admonition of the Lord.

PEE DEE BAPTIST ASSOCIATION

SUNDAY SCHOOL REPORT

The Associational Sunday School held four mass meetings during the past year. The meetings were well attended by a representative group from the churches of our association. Emphasis during the past year were upon the standard of excellence; visitation; enlargement, space, and equipment; and general teaching goals.

A special Action Night program is planned at the First Baptist Church in Hamlet on Monday night, November 20. At this time the program of the Sunday School for 1961-62 will be presented.

Since reports of the Vacation Bible Schools were received from only fifteen churches, we are unable to report on how many of these schools were held in our association.

We trust that in the new year an increasingly better job will be done in enlistment, instruction, and evangelism in all of our Sunday Schools.

Respectfully submitted,
Scott Turner, Jr.

PEE DEE BAPTIST ASSOCIATION

TRAINING UNION REPORT

In reviewing the work of this department, we see that in some areas our efforts have been successful; in others, we have been unable to accomplish anything. We have met for executive committee meetings, for planning meetings, for leadership train-

ing meetings and for mass meetings. We look upon two of these services with pride. Our "M" night at First Baptist in Rockingham set an attendance record of 694. The program featured the Wingate College Choir and Dr. Douglas M. Branch, executive secretary of Baptist State Convention of North Carolina.

Youth Night at Pine Grove Baptist Church presented an opportunity for the young people of our churches to hear Miss Penina Nehama of Tel Aviv, Israel as she related how she came to accept Christ as her Messiah because of the work of Southern Baptist Missionaries.

In all our meetings there has been a serious deficiency; the rank and file of the members of our organizations are rarely ever present. The correction of this condition would improve the efficiency of every area of our work.

We are happy to report an increase of 100 per cent in the number participating in our tournaments. We are glad that our churches are offering study courses in category 18 on Training Union methods and principles. In 1960 not a single church received an award in this category. In the first five months alone in 1961, we received over 70 awards for this type study.

With the opportunity many of our people had of attending Training Union week in Caswell and most of the officers returning with renewed efforts to their jobs, it is hoped even more can be accomplished next year.

Eight of our churches do not have a Training Union. Five thousand of our church members see no need for further preparation or training, in spite of the fact that the command to "grow in grace" is universal. No church organization should be considered expendable, but in placing emphasis on quality rather than quantity of church membership, Training Union is our most valuable means of obtaining more consecrated, prepared workers for our churches.

Avery Lumsden

MUSIC REPORT FOR PEE DEE ASSOCIATIONAL YEAR

So far as I know the associational year that has just been completed is the first year during which Pee Dee Association has had a Music Committee. The following persons served with the director as officers of the music committee: Ex-officio members, R. T. Willis, Jr., and James Pittman; Pastor Advisor, Scott Turner, Jr.; Director of Instrumental Activities Miss Frances Cartner; Director of Congregational Activities, Bob Glazner; Director of Graded Choirs, E. Bruce Sloop; Director of Publicity and Promotion, Coy Privette; Director of Training, Avery Lumsden.

A meeting of the Music Committee was called on March 17,

1961 to plan an Associational School of Music which was held on May 8-12, with 8 churches participating. The total enrollment for the week was 62, with an average attendance of 46. Appreciation is expressed to the First Baptist Church, Hamlet, who served as host church for the School of Music. The books studied were "You Can Read Music" taught by E. Bruce Sloop, "Hymn Playing" taught by Mrs. Harry Hansen, and "Christian Hymnody" taught by Mrs. Avery Lumsden. An offering was taken to help defray expenses and the amount that was received over and above expenses of the school is to be put into the association treasury earmarked "Music Fund".

Plans have been made for the churches of the association to participate in a "Carol Sing" on December 21, 1961, at 7:30 p.m., at the First Baptist Church, Rockingham. Every pastor is asked to relay this information to the members of his church and make plans to have his church participate. Every age group is invited to attend.

It is hoped that more of our churches will become interested in the music ministry of the Association and participate in the various activities.

Respectfully submitted,
Carroll Andrews

REPORT ON CHRISTIAN LITERATURE

North Carolina Baptists are blessed with a number of fine publications. There is great need today for Christians to read literature that will strengthen and encourage them to live better and more effective lives. With so many unworthy publications being offered our young people and finding a way into Baptist homes, it is the serious duty of parents who care to provide wholesome reading matter for them.

Among publications being offered by our leaders in this field is the **Biblical Recorder**, the state Baptist paper since 1833, and the **Charity and Children**, our orphanage paper for seventy-five years, both of which rank high in information and Christian ideals.

Circulation of the Biblical Recorder is now the highest it has ever been, above 78.000 copies each week, and the goal for 1964 is 100,000. The help of every church is needed to reach this goal. There are more than 225,000 Baptist families in our state, and the great majority of them should have the information and inspiration to be had through the regular reading of the Recorder. When the value of this paper in considered, the cost of four cents per week seems very small. More of our people should know what Baptists are doing in this state and throughout the world in the name of Jesus Christ. We are to be witnesses in His name. The Biblical Recorder does witness week by week in His name. Every

one of our churches would benefit by joining the Recorder's Every Family Plan.

Orphan children have always held a high place in our hearts. We are interested in reading about their activities and interests. **Charity and Children,** in its seventy-fifth year of publication, and with over 52,000 weekly circulation, gives those desiring it much information about the boys and girls living at Mills Home, Kennedy Home, Odum Home, and in foster homes throughout the state. The price of this fine Christian paper in clubs of ten or more is sixty cents per year. We are told: "Our financial support for this year for Baptist Children's Homes has come from the following sources: Thanksgiving Offering, 33 percent; Cooperative Program, 32 percent; Once a Month Offerings, 18 percent; Special Gifts and Endowment, 17 percent. The Thanksgiving Offering goal for 1961 is $400,000. Help this become a reality!"

Our Baptist Sunday School Board, located in Nashville, Tennessee, is one of the largest publishing concerns in the world. In addition to the Sunday School, Training Union, and Study Course literature, it publishes Open Windows for personal devotions, Home Life for Christian families, Home and Foreign Mission literature and many tracts, not to mention numerous books.

It appears that there is little excuse for Baptists to remain uninformed if there is an inclination to become approved workmen unto God.

Respectfully submitted,
R. T. Willis, Jr.

1961 REPORT TO THE ASSOCIATION ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

When North Carolina Baptists think of their own literature, they naturally think of their Baptist state paper since 1833 — the **Biblical Recorder.** Down through the years, it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the **Recorder** strives to convey its message in an attractive, appealing manner.

The **Recorder** is edited so it will be of interest to all North Carolina Baptists. Consider the many features each week — full

page pictures on the cover, stimulating editorials, Life in the Churches, the Sunday School lesson, the Family Page, changes in the churches, complete coverage of all Baptist news, numerous pictures, inspirational pieces, stories about your fellow Baptists, and many other articles too numerous to mention.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

At a workshop of Southern Baptist editors at Syracuse University this summer, the **Recorder** received high recognition from the Syracuse professors who praised it for its pleasing appearance and good content. The professors especially liked the covers and the large number of good pictures used in every issue.

It is the **Recorder's** job to keep North Carolina Baptists informed — but please remember that this is a two-way street. Even though the **Recorder** may be judged the outstanding paper in the Southern Baptist Convention, if you are not receiving it, you have no way of knowing what you are missing.

The Every Family Plan is best and simplest. Nearly 500 churches testify to the value of sending the **Recorder** to every resident family at the cost of a four cent stamp each week — or $2.00 a year. It doesn't cost, it pays. As a starter your church may want to get four or more people to take the **Recorder,** thus qualifying for the Club Plan before going to the Every Family Plan.

The **Recorder** staff pledges itself to get out a paper that will justify the confidence your church places in it. Nowhere else will you be able to get so much for so little. Try the **Recorder** this coming year and see for yourself the blessing you will receive from it each week.

Sincerely,
J. Marse Grant, Editor and Business Manager
C. W. Bazemore, Associate Editor and Circulation Manager

REPORT OF THE NORTH CAROLINA BAPTIST HOMES FOR THE AGING

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes — Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptist, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin

County, is proof-positive. This, our fourth home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. **Twenty-six** new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the loving kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie

Giles, Miss Lucy Stout, Mrs. Mattie Owens, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

William A. Poole, General Su'pt.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics — 78,000 visits to the Out-Patient Clinic, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

Some of The Newer Services

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advance step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastor's Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

The Most Urgent Needs

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently

needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Respectfully submitted,
K. E. Haigler

REPORT ON THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Ever since November 15, 1884, when the North Carolina Baptist Orphanage Association was formed, in the heart of every concerned North Carolina Baptist is the work of the Baptist Children's Homes, for Christian compassion is greatest in the care of the homeless and dependent children.

Since the first child entered the Thomasville orphanage in November, 1885, the work has extended with God's blessings that now we have two other homes besides Mills Home in Thomasville. Kennedy Home was opened in Kinston in 1914, and since January, 1958 North Carolina Baptists have operated Odum Home for Indian Children at Pembroke.

Because North Carolina Baptist have recognized the worth and dignity of boys and girls, in these 76 years of child care more than 8,000 children have been given a home through the love and generosity of you, North Carolina Baptists.

Besides the work of the three homes, we are providing for the care of children through Licensed Christian Foster Homes. Presently 126 children are receiving care in Foster Homes. There were 162, but due to failure of meeting our Thanksgiving goal last year the number had to be reduced.

HOW ARE OUR HOMES SUPPORTED? The multiple-service Child Care Program of North Carolina Baptists as carried on by the Baptist Children's Homes requires steady and liberal financial support. You have been generous in your support across the years for this more than 8,000 dependent and homeless boys and girls are grateful.

The source of income for 1961:

1. Cooperative Program: 31.7 per cent;
2. Thanksgiving Offerings: 33.3 per cent;
3. Designations and Once-A-Month Offering: 18 per cent;
4. Endowment, designated support of children, and special gifts: 17 per cent.

A wonderful way for each of us to have a special part in the work of our Children's Home is through the sponsorship program. May I list a few ways that you can make a significant contribution to the lives of our children.

Perhaps your family, Sunday School Class, W.M.U., or Brotherhood would like to help sponsor a child by providing clothing, birthday and Christmas gifts. The estimated cost of clothing for a child each year is about $65.00, depending on age and sex. Sponsors may send money to the institution, may purchase and send clothes or have the child visit with you and take them shopping.

More than half of our children have sponsors. It is the hope

of our home ultimately that every child may have one.

A new type sponsorship was instituted this year. An individual, family, business corporation, or church organization may sponsor a child's care in the Children's Homes. Six hundred dollars a year will provide room, board, clothing, school and medical expense for a child.

There is so much that we can do and as we think of the great work of our Children's Homes, may we also remember the words of Jesus: 'Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me'."

Respectfully submitted,
Coy Privette

REPORT OF WOMAN'S MISSIONARY UNION

As we look at the W. M. U. work for the year ending September 30, it leaves much to be desired. We have not accomplished what we had hoped to do. Our goal was to establish at least two new Societies but only one was organized and that was at Laurel Hill. This still leaves five churches in the Pee Dee Association with no mission program at all.

Several churches have started new youth work but many still do not provide any missionary education for the younger group in their church. We are praying that God will speak to the pastors and laymen as well as to the women in our churches, that they may see the needs of the world and ask "What can **I** do in my own church to promote Christian Missions?" It is everyone's responsibility to witness where we are.

The W.M.U. plan of work is the Aims for advancement. The objects are:

1. World awareness.
2. Spiritual life development.
3. Christian witnessing.
4. Sharing possessions.
5. Educating youth in missions.
6. Enlisting for missions.
7. Leadership training.
8. Reporting Advancement.

We are so grateful for the women in key places that have worked so untiringly in their churches to achieve these aims. They will receive recognition as Approved, Advanced or Honor Societies.

The Mission Study books for the year were especially good. Many of our women read and studied several. Almost all churches had two or more Mission Study classes.

The Seasons of Prayer for Foreign, Home and State Missions were observed in most churches and in many a five day observance or an all day service was held.

All societies gave to the special offerings according to state plans, but there are some churches that make no contribution at all to the Cooperative Program. We feel that this is a weak point in our Stewardship program. The goal for the year was a 13% increase in all offerings.

Our annual W.M.U. meeting was held in the First Baptist Church in Hamlet on April 13, and the attendance was good. Mrs. Allegra L. Prairie of the Sellers Home and Adoption Center in

New Orleans brought a message that challenged us to love and understand the young people in our churches and to strive to protect them from a bad environment.

Miss Willa Dean Freeman, State G. A. Director, gave a summary of the Pee Dee Associational report, and pointed out the weak spots in our work.

This past year our Associational W. M. U. promoted a Sunbeam Day Camp, a G. A. Rally and a Leadership Conference for all officers and chairmen. They were all well attended.

We are giving a $100.00 Scholarship to Nick Lovin, a young first year Ministerial student from the East Rockingham Baptist Church, who is going to Campbell College.

Mrs. Sam Key

BROTHERHOOD REPORT

Today the Brotherhood shows unmistakable signs of new Brotherhood vitality. Church members, women and men, are beginning to really appreciate and value the Brotherhood as one of the big factors in church growth and strength.

In the Pee Dee Association are thirty three churches and one mission. Only eleven of those thirty three churches have no Brotherhood. Five of those eleven churches could have brotherhoods if it were not for indifference and complacency on the part of church leadership.

The Brotherhood is an organization dependent upon Christian maturity. I mean by that to put away thoughts and acts of unconcern and try to do something constructive for the purpose of arousing laymen's interest. God has made no transfer of leadership from laymen, men are dependent upon. These many years of indifference on the part of Baptist laymen explain why there are so many Baptist churches without preachers. One of the most important things the Brotherhood can do today is encourage Christian lay leadership.

Even at times when we feel a bit discouraged because so many laymen refuse to do their Christian duty a few moments of contemplation will readily convince us we have cause for optimism.

Because the Brotherhood is almost a new organization in most churches is evidence the Baptists have been slow because of division and disruption in the nature of refusing to organize a specific layman's organization. The Brotherhood has arrived and is a growing organization, and is being introduced in churches where none now exist.

1960 has been one of the Brotherhood's most progressive years. And we have every cause to entertain an optimistic view of its continued growth.

REPORT OF AMERICAN BIBLE SOCIETY

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those students express two basic principles of mission work which are true in all lands.

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart. But, we must remember, **in most lands people cannot afford even the cost of printing the Scriptures.**

The American Bible Society helps missionaries to **translate** the Bible. It **publishes** without note or comment and **distributes** without profit, usually below cost. In cases of special need, at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society —

— rejoiced that some part of the Bible has been published in 1165 languages: the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667 more.

— gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans Hospitals, as a vital link between the home churches and men in service.

— observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

— enlarged the ministry of the Finger-Fono, a phonograph operate with one finger, with Bible records in the languages needed, for use in areas throughout the world where many people can not read. Records are now available in 30 languages and others are being prepared.

— helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also rejoicing in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

— distributed throughout the world a record total of over 23 million volumes of Scrptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15-million-volumes-per-year average for the past 9 years.

Southern Baptist Support the Work

Because the Society serves mission work — and Southern Baptist Missionaries depend on the Bible Society for Scripture

they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1960 Southern Baptist churches gave $151,626 to the American Bible Society. Methodist gifts led with a total of $151,934. Gifts from all churches in the U. S. A. totaled $1,001,768.

Although gifts have increased and the work has expanded, the world wide need for the Bible is still greater than the supply.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give **at least** these amounts **each year:**

Smaller churches ..... $10 to $60
Larger churches ..... $60 to $300
Great city churches .....$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Gwenn McCormick

REPORT ON MISSIONS AND COOPERATIVE PROGRAM

What is the Cooperative Program? These two phrases: Cooperative Program and World Missions are inseparable. When the Cooperative Program is defined World Missions are automatically included. The Cooperative Program is our money in support of world missions. It is not a plan for the agencies of Southern Baptist Convention and for State Convention to raise money from the churches. It is a channel through which the individuals in the churches may respond to the Great Commission.

This Great Program of Southern Baptists is rooted in the Great Commission. Jesus said, "Go ye." We can go through the Cooperative Program. This is God's Way that Southern Baptist can remain at home with our duties here and yet visit the world through the Cooperative Program. It is your money at work for you around the world. This Program carries the Witness of Christ to other nationalities in our own country through over 2100 home missionaries. It carries the Gospel to the ends of the earth through over 1500 Foreign Missionaries. But this matter of world missions must begin in Jerusalem: at home. Home Missions strengthen Foreign Missions. Along with this effort to fortify the home base is the education program to prepare our people who surrender to mission work for mission work. Luther Rice advocated such a move. If people go to the fields then they must prepare.

The Cooperative Program is literally you. It sings our songs

around the world, "All Hail the Power of Jesus' Name." It is Southern Baptists' Great expression of conquest and unity.

Jesus instituted the church and gave it the obligation of sharing the Gospel with the World. One man cannot do it nor one congregation, but through our cooperating efforts, we can spread the Gospel. Dr. James Sullivan in his book, "Your Life and Your Church", tells of a woman who said, "I've been giving to the Co-operative Program for years, but when are we going to get that thing paid for?" We do not give to the program but through it. It is a channel.

The theme of Southern Baptists is: "My Church Reaching out." If we are to reach out in World Missions then there are some essentials: First, There must be Response. There must be those who will answer God's Call, "Who will go for us", in this manner, "Here I am, send me." We as Christians must do two things: 1. Pray for the Lord of the Harvest to send forth laborers into the harvest, 2. Go if God calls us. Dr. Baker J. Cauthen tells that the objective for 1964 is 2,000 missionaries on the field. But this goal should have been reached long ago. He says that 786 missionaries are needed now for urgent missionary needs. If they are available there would be a vital place of service waiting for them. We need the response like the little boy Samuel, "Speak Lord, thy servant heareth." Second, There must be Resource. The life line of world Missions is the Cooperative Program. Therefore we must build it and strengthen it. We as pastors must lead our people into giving more. Before this can be true the congregation must see the spiritual needs of the world. 95,000,000 people in Japan and only .6% are Christian. In Thailand there are only 1 out of every 1200 people that claim Christ as Saviour. The needs should challenge us to give more. The dedication here at home should not differ from that of the foreign missionary except in the point of address. Third, we must pray.

Respectfully submitted,
Melvin Greene

REPORT OF THE BAPTIST JOINT COMMITTEE ON PUBLIC AFFAIRS

to the

SOUTHERN BAPTIST CONVENTION

St. Louis, Missouri, May 23-26, 1961

Program Planning

The events of the year 1960 as well as the program planning activities of the Convention have served to focus and to clarify the role of the Public Affairs Committee in the life of the denomination. The historic developments year by year are adding significance to this instrument of coherence within the Baptist movement and to this channel of responsible conversation with the public mind and the public agencies of the nation. Furthermore, the issues related to the practice of religious liberty and to proper church-state relations are growing more complex with the increasing inter-relatedness of denominational institutions with public interests.

For the purpose of a brief statement of the Joint Committee's rationale the following points have been proposed:

1. Through the Christian faith we know God as creator, sustainer, and ruler of the universe with power, majesty, and glory which are far beyond the control of governments. Accordingly, Christ rejected political authority as a means to his saving mission, while recognizing man's need for social organization. The Holy Spirit's ministry of engendering Christian faith, hope, and love involves the use of persons and groups, but culminates in an inward experience which cannot be coerced into being. In recognizing the sacred nature of man's direct relationship to God (conscience), we become aware that religious liberty is rooted in the nature of the gospel.

2. Respect for these Christian insights regarding the nature of God, of man, of Christ's ministry, and of the church has impelled Baptists to prevail upon governments everywhere to refrain from coercing religious participation in any form. To this end separation of church and state have been desired, involving the recognition of the separate reasons for being, the separate methods usable, the separate constituencies in spite of overlapping, the need for separate administration, separate sources of revenue, and separate educational programs.

3. Accordingly, on these premises Baptists have endeavored to plan programs of preaching, evangelism, missions, education, and charitable service as activities of the churches acting freely

under the Lordship of Christ. Thereby they have sought to protect the religious freedom of all people while nurturing a genuine voluntary commitment to God and experience with him.

4. The Baptist witness to their understanding of the gospel of Christ requires that it be exemplified in the policies of the various conventions as Christian efforts are extended through their many agencies. This necessitates consultations and conferences on many subjects related to church and state in order to make clear applications to the ever-changing conditions of society and to the constantly growing functions of government in an industrial age.

5. An effective stewardship of influence in behalf of religious freedom also calls for a central clearinghouse for reporting Convention policies, study of trends, and the communication of interpretations. These resources must be available to government leaders, to the mass media, to other religious fellowships, and to non-governmental organizations.

6. The Baptist Joint Committee on Public Affairs is the agency which the Southern Baptist Convention has developed in cooperation with other Baptists as an instrument for meeting the above needs in a responsible manner.

A historical study of the development of the Baptist Joint Committee on Public Affairs made in 1960 reveals that the Southern Baptist Convention has always insisted on retaining responsible direction of the church-state contacts and negotiations of its Public Affairs Committee. Although the Baptist Joint Committee on Public Affairs is authorized to act in the field of public affairs, to make pronouncements, and to take positions on church-state problems, it must always do so in harmony with actions and positions taken by its cooperating conventions.

A summary view of the concerns in the area of church-state relations to which the Southern Baptist Convention found it necessary to address itself during the first century of its existence can be listed under four categories:

(1) The concern for the effectiveness of the Baptist witness by means of a consistent declaration and practice of religious liberty.

(2) The concern for the consistent practice of separation of church and state by the American Government.

(3) The defense of Baptist rights to equality before the law and the aversion to privileged ecclesiastical organizations.

(4) The expression of moral support for those people suffering injustices because of their religion at home or abroad.

The instructions given to the Public Affairs Committee to implement the functional activities by which these concerns were treated produces a considerable list of verbs. Some of the more frequently used verbs prior to the current program of the Baptist Joint Committee on Public Affairs are "petition," "contact," "approve," "confer," "communicate," "demand," "represent," "recommend," "urge," and "defend." Following is a brief accounting of some of the activities of the Baptist Joint Committee on Public Affairs during 1960 in its four current areas.

Work in the Field of Study and Research

1. Religious Liberty Conference. The fourth annual Religious Liberty Conference was conducted Sept. 7-9, 1960 on the subject, "The Churches and American Tax Policies." The theme of the 1961 conference, Oct. 4-6, will be, "Church-State Aspects of the Christian's Involvement in Human Need."

2. Denominational Cooperation. Denominational agencies such as the Brotherhood Commission, Sunday School Board, Christian Life Commission and the Historical Commission made use of the resources of the Baptist Joint Committee on Public Affairs through their publications and activities in 1960.

3. Presidential Campaign. During the presidential campaign of 1960 the Baptist Joint Committee on Public Affairs attempted to interpret the relevance of Baptist insights to the political issues of the day.

4. Baptist Public Affairs Internship. This is a program to give "young but mature" Baptist scholars and leaders a first hand experience with the problems related to religious liberty. The program provides for cooperative support of selected persons for an internship in the Washington office.

Work in the Field of Public Relations

1. The Baptist Joint Committee on Public Affairs sought to interpret to the public through the mass media and other channels the meaning of the Baptist movement to the public issues of the day.

2. Non-Southern Baptist Contacts. Through the religious liberty commission of the Baptist World Alliance and national and world interdenominational organizations the Baptist Joint Committee helped to form world opinion on the subject of church-state relations.

3. Non-governmental Organizations. The Baptist Joint Committee shares information with numerous organizations and conferences in Washington. Through these channels the Baptist

viewpoint is given wide circulation.

Work in the Field of Information Service

1. Baptist Press. The Washington regional office of the Baptist Press is edited by the associate director of the Baptist Joint Committee on Public Affairs. An estimated total circulation of 45,763,052 for news stories in 1960 was achieved through this channel.

2. Baptist Public Affairs. This is a nationwide news service that reports to Baptist publications and communications outlets of all the major Baptist groups throughout the nation.

3. Report from the Capitol. The monthly newsletter from the Washington office now has a circulation of over 5,000. It is available at production cost of $1.00 a year on a subscription basis.

Work on the Correlation Program

1. Baptist Institutions. Numerous requests from Baptist institutions seek help from the Baptist Joint Committee on Public Affairs to help clarify the principles that underlie their policies.

2. Baptist Conventions. Public affairs committees and other committees of various state conventions frequently seek help from the Baptist Joint Committee on Public Affairs. In 1960 the Baptist Joint Committee cooperated in planning with eight Baptist groups in Illinois for a series of conferences in May, 1961, throughout the state to discuss Baptist principles of religious liberty as related to current church-state relations and problems. The Committee is available for consultation with other states whenever their assistance is desired.

CONSTITUTION

I. Name

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

II. Purpose

The purpose of the association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in a world mission program.

III. Membership

A. The association shall be composed of messengers elected from the churches affiliated with it. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

B. Churches wishing to affiliate with the association shall make written request to the Missions Committee. This committee shall present the names of all churches applying for membership at the annual meeting. Each shall be received without vote under watchcare for one year. The Missions Committee shall make a thorough investigation of the petitioning church as to its doctrines, practices, and support of the association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention. It shall recommend to the association at the next annual meeting one of three actions:

1. Acceptance of the church into associational membership.
2. Further consideration for action at the next annual meeting.
3. Rejection of the petition.

C. The association may at any time withdraw from any church which it considers to be unsound in principle and practice.

IV. Officers

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, historian, and three trustees. These officers shall be elected by the association at the last session of the annual meeting as the last item of business. The moderator and vice-moderator shall be nominated from the floor. The other officers shall be nominated by the nominating committee. All officers shall serve until the close of the following annual session of the association or until their succes-

sors shall be elected and installed. The moderator and vice-moderator shall be limited to not more than two successive years of service.

V. Authority

A. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

B. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

VI. Organizations

A. The association shall promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library and other organizations which are in keeping with the purpose stated above.

B. The officers of the associational Sunday School, Training Union, Woman's Missionary Union, Music, Library, and Brotherhood shall be elected by their respective organizations. Each organization shall furnish a list of officers to the associational Nominating Committee prior to the annual session. The Nominating Committee shall present these officers to the association for approval at the time of the election of the officers of the association. Those persons selected for officers in these organizations will serve in cooperation with officers already serving until they are approved by the association, at which time they shall assume full responsibility.

VII. Executive Committee

A. The association shall elect an Executive Committee consisting of the pastor and one layman or lay woman from each church in the association. The officers of the association, namely, moderator, vice-moderator, clerk, treasurer, and historian, shall be ex-officio members of the Executive Committee, and shall serve as respective officers of the committee. All other officers and chairmen of standing committees shall be ex-officio members. (Ex-officio members shall not have the right to vote unless they are also members of the Executive Committee elected as representatives of their respective churches.)

B. The Executive Committee shall attend to all matters of the association between annual sessions.

C. The Executive Committee shall hold regular quarterly meetings. The chief officers of the Sunday School, Training Union, W.M.U., and Brotherhood, along with the associational treasurer, shall make written reports of their work at each quarterly Executive Committee Meeting. The Executive Committee shall make an annual report to the association.

D. The Executive Committee shall elect the associational Nominating Committee at its meeting three months prior to the annual associational meeting.

E. The Executive Committee shall not have power to entitle a church to affiliate with the association or have representation on the Executive Committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

VIII. Meetings

A. The association shall meet in annual session on Monday (afternoon and evening) and Tuesday (morning and afternoon) following the third Sunday in October.

B. The Executive Committee shall have power to change the stated time and/or place of the annual meeting in case of necessity.

IX. Committees

A. The association shall have the following standing committees: Missions, Finance, Program, Calendar, Evangelism, and Nominating.

B. The Nominating Committee shall nominate all of the above committees for election by the association, with the exception of itself. The Nominating Committee shall be elected in the manner described in Article VII Section D above.

ANNUAL MEETING OF THE PEE DEE BAPTIST ASSOCIATION OF NORTH CAROLINA

Monday Afternoon and Evening — October 22, 1962

Tuesday Morning and Afternoon — October 23, 1962

Monday Afternoon Session

1. The one hundred and forty-seventh annual meeting of the Pee Dee Baptist Association of North Carolina convened at the Cobb Memorial Baptist Church on the afternoon of October 22, 1962.

2. James H. Pittman, Moderator, called the meeting to order at 2:30 P.M., and introduced the Rev. Howard Benoy, pastor of Bethel Baptist Church, who led the devotional period using John 4 as the scripture passage.

3. The Rev. Phillip Tillman, pastor of the host church, extended a warm welcome to those attending the association.

4. The proposed order of business was presented by the Rev. William B. Kirby, Jr., chairman of the Program Committee, and it was adopted by the association.

5. The moderator introduced and welcomed the following new pastors to the association:

The Rev. R. C. Melton, Skyway
The Rev. Larry Holland, Mount Olive
The Rev. Justus McKeel, Gibson
The Rev. D. E. Frye, Pine Grove
The Rev. W. L. Faile, Saron

6. E. Bruce Sloop led the congregation in singing, "God of Grace and God of Glory."

7. James H. Pittman, Moderator, was introduced by the Rev. William B. Kirby, Jr. He used the subject, "Perils of Pride," as the subject of the annual moderator's message.

8. The Rev. John Gray presented the Christian Literature Report, which was adopted. He introduced C. W. Bazemore, Associate Editor and Circulation Manager of The Biblical Recorder, who told of the important task which the state Baptist paper is doing. He expressed the great need for Christian literature, stating that "the world hungers for something good to read."

9. The moderator presented C. Gordon Maddrey, Executive Secretary of the North Carolina Baptist Foundation, who presented a report on the work being done by the foundation.

10. Jimmy Smith, a member of East Rockingham Baptist Church, sang, "What Will You Do With Jesus?" He was accompanied by Miss Frances Cartner.

11. The Rev. G. Carl Lewis presented the report on North Carolina Baptist Colleges, which was adopted. He introduced Dr. L. H. Hollingsworth, Chaplain of Wake Forest College, who spoke on Christian Education.

12. The Moderator appointed the following committees:
Place and Preacher: The Rev. John Gray, The Rev. Howard Benoy, The Rev. Larry Holland
Resolutions: The Rev. Ben F. Broadway, The Rev. D. E. Frye, The Rev. R. C. Melton

13. The Rev. Robert B. Glazner, Clerk, reported that 101 messengers and 30 visitors had been registered, making a total attendance at that time of 131.

14. The Rev. Robert B. Glazner introduced proposed changes in the constitution of the association. He proposed that all references to an Associational Missionary be deleted from the constitution until such time that this work may be resumed. He also proposed that the duties of the standing committees of the association become an integral part of the constitution. These duties had originally appeared on pages 37-39 of the 1959 minutes. It was necessary that these proposed changes in the constitution be voted on at the last business session of the association due to the constitutions provisions for amendment.

15. E. Bruce Sloop led the congregation in singing, "Majestic Sweetness Sits Enthroned."

16. The Moderator presented the Rev. Elbert Neil Johnson, who had been elected to preach the annual sermon. Using "Sharing with Christ in Worship" as the topic and Romans 10 as the Bible passage, Mr. Johnson gave a very stirring and moving message on the true meaning and value of worship.

17. The afternoon session was closed with prayer by the Moderator.

Monday Evening Session

18. The moderator called the Evening Session to order at 7 P.M. and presented the Rev. Larry Holland, pastor of the Mount Olive Baptist Church, who led in a devotional period based on Colossians 1.

19. Mrs. Sam Key presented the report of the Associational Woman's Missionary Union, of which she is President.

20. The Rev. Ben F. Broadway introduced Dr. Tom Hill as the next speaker. Dr. Hill is a Southern Baptist missionary to Costa Rica. He read Romans 10:10-15 and gave an inspiring message on work as a missionary.

21. The Rev. Justus McKeel presented the Annuity Board Report, which was adopted. Guy C. Cain, Secretary of Retirement Plans, Raleigh, spoke concerning this subject.

22. The Rev. G. Carl Lewis introduced Dr. E. L. Spivey, Director of the Division of Missions of the Baptist State Convention of North Carolina. Dr. Spivey brought a very challenging message on the subject, "The Lifeline of All Missions, The Consecrated Individual."

23. The Rev. G. Carl Lewis suggested that in these perilous times it would be well for the association to remember the President of the United States and his staff in prayer. (This was the evening that the President had made a public statement concerning Russian missiles in Cuba and set in effect a quarantine of that island.)

24. The Moderator called on former Congressman C. B. Deane to lead in this prayer, which adjourned the evening session.

32. The associational treasurer, the Rev. Robert B. Glazner, reported that there was some confusion in the financial report, perhaps because there had been three treasurers during the year, but happily he had found that though it seemed that more money had been spent than had come in, there was still a balance of $362.18 at the end of the associational year.

33. The Rev. John Gray made a motion that the association follow the same financial budget that had been used in the previous year. This motion was passed by the association.

39. The congregation was led in singing, "Bringing in the Sheaves."

40. The Rev. Ben F. Broadway read Colossians 1:16-17 and then asked C. L. Butcher to lead the group in prayer. Mr. Broadway then brought an excellent message on the subject of Evangelism.

41. The Moderator recognized the Rev. R. C. Melton, pastor of the host church, who gave instructions concerning lunch.

46. No one was present to give a report on Baptist Training Union work.

47. John D. White, Associational Brotherhood President, gave a report on the work of that organization. The report was adopted.

48. E. Bruce Sloop presented a report on the Associational Music Organization, which was adopted.

49. Dr. J. B. Willis led in a Memorial Service. He read the names of those members of the churches who had passed away during the past year and led in a prayer of thanksgiving for what they had meant to the Lord's work.

57. The Rev. Richard E. Price was nominated for the office of Vice-Moderator by THE REV. G. CARL LEWIS. He was elected also.

58. James H. Pittman presented the gavel to the newly elected Moderator. Mr. Broadway expressed the association's appreciation for the service which had been rendered by the retiring Moderator. He further challenged those present to greater service in the association and adjourned the meeting with prayer.

59. The meeting adjourned at 2:25 P.M., exactly one hour ahead of schedule!

— Due to illness in the Clerk's family, the minutes of Monday's sessions were recorded by the Rev. William B. Kirby, Jr.

No one presented an Associational Training Union report.

REPORT ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches, an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4c a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or $2.50 a year.

Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists. Keep them in your prayers during the coming year.

Respectfully submitted,

John W. Gray,

REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc.

It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245.131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a **CHRISTIAN WILL.** In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a **LIVING TRUST.** A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his gift at work.

(c) Through a **MEMORIAL TRUST.** A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a **LIFE INCOME TRUST.** A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through **LIFE INSURANCE.** A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

REPORT OF NORTH CAROLINA BAPTIST COLLEGES

North Carolina Baptist colleges closed another record-breaking academic year (1961-62). They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian con-

cern in their behalf. The colleges are happy to report their stewardship to the associations. All seven opened in the fall of 1961 with their largest enrollments: Campbell—1,429; Chowan — 752; Gardner-Webb—611; Mars Hill—1,099; Meredith—778; Wingate—912; Wake Forest—2,866; making a total of 8,477. (Numbers of other students enrolled during the second semester and summer school of 1962.)

Of this number, approximately 2/3 were members of the Baptist church. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocation, giving their Christian witness in every walk of life.

The past academic year saw many excellent physical improvements and additions to the campuses:

Campbell College completed the **James A. Campbell Memorial Administration Building, Bryan Dormitory for Girls, and a science building.**

Chowan College began a capital fund drive for $900,000 to construct a **library and classroom-administration building.**

Gardner-Webb has completed a new **science building.**

Mars Hill dedicated its new **auditorium and fine arts building.**

Meredith has added a new **dormitory and infirmary.**

Wake Forest has moved into its new **life science building and dormitory for girls.** The **humanities classroom building** is under construction.

Wingate has completed the **Budd E. Smith Science Building,** boys' dormitory, and is completing the **business administration building.**

Total plant assets of these colleges are in excess of $45,000,000. For the past 10 years Baptists have provided about $500,000 each year to help with these capital outlay needs. To keep these campuses up to date and competitive, several thousands of dollars must be spent each year.

The total operating budget of the seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid about 5%. Nearly one-half of operating costs are paid by students and other sources such as endowment, net earnings from auxiliary enterprises such as dormitories, dining room, student center, etc. In the light of spirling costs and expanded student bodies, these colleges face very crucial financial needs in the future.

The past year has also seen a strengthening of faculties. In every case the colleges have sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies. Faculty salaries are still entirely too low in all of the colleges.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63 and '64. Thirty per cent of this amount is to go to the colleges and construction of student centers on non-Baptist campuses. Some 400 to 500 churches have made this increase in 1962. The Cooperative Program is somewhat higher at this time than last year, and for this we are grateful. However, in order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the church. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups including the church. A state-controlled monolithic system of education is foreign to our pluralistic society.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that they may do their work and do it well.

Please support your colleges by:

(1) Acquainting yourself with your colleges. Visit them, read about them, invite the students and faculty into your church to conduct services.

(2) Encouraging your finest students to attend. Be sure that they apply early.

(3) Praying for the schools—the presidents, administrators, faculty, trustees, and students.

(4) Increasing your Cooperative Program giving 35% this year.

(5) Observing the Christian Education Day, Father's Day—in June.

Respectively submitted,

G. Carl Lewis

REPORT OF THE PEE DEE ASSOCIATIONAL WOMAN'S MISSIONARY UNION

The year 1962 has brought about many changes in Woman's Missionary Union. Realizing the growing needs of mission work, it has been a year of prayer and planning.

There was no spring meeting of the Woman's Missionary Union this year. The Pee Dee Association had been chosen for the first conference on Spiritual Advance, a part of a long range planning program for North Carolina. The conference was held at the First Baptist Church in Rockingham on April 4th, 5th and 6th. Leading the conference were the following State officers: Miss Miriam Robinson, Executive Secretary; Miss Sara Ann Hobbs, Y.W.A. Director; Miss Willa Dean Freeman, G. A. Director, and Miss Delois Hamrick, Sunbeam Director. They presented the need for a more concerned effort on the part of every woman in the Woman's Missionary Union, and challenged us to pray as we worked that we might advance spiritually and our vision broadened that we might see the needs of the world and pray earnestly to meet that need.

Prayer Retreats have been held in many of our churches in preparation for the 75th Anniversary of Woman's Missionary Union in 1963, it's purpose being to establish the practice of daily prayer.

It is significant that a prayer meeting held by a small group of women so many years ago who were interested in the missionaries on the field and felt the need to pray for them, was the beginning of the Woman's Missionary Union work. A great task was before them. Women everywhere must be enlisted and taught the meaning of Jesus' words when he said "Go Ye".

Through the years Woman's Missionary Union has sought to teach and train the women and youth of our churches through missionary education. They have promoted weeks of prayer for Home and Foreign Missions, taught and practiced tithing and stewardship of possessions, stressed special offerings during the weeks of prayer and gave regularly through the co-operative program. We are working to increase these offerings each year, and are urging the women to give sacrifically so that the gospel may be preached to all nations.

Goals for the Anniversary Year are high: a 15% increase in the Lottie Moon Christmas offering, 15% increase in the Annie Armstrong offering and 15% increase in membership. Also a study of world awareness, and the organization or participation in the work of one mission and a special co-operative program presentation. Several churches are already working on these goals.

We have no new organizations this year but we feel that much work has been done since there was an increase in the number of organizations achieving recognition for their aims for advancement. There are 7 organizations that are Honor, nine who are Advanced and fourteen who are Approved.

There were two G.A. rallys held, one at Beverly Hills and one at Calvary Church. These were held in May. The Sunbeam Day Camp was

held at the Ed Tull Recreational Park and Swimming Pool this year in July and it was very successful.

We ask that you pray for us as we strive to advance the cause of missions in the Pee Dee Association. We think of the words of Miss Annie Armstrong as she sent a message to the Convention just before her death and included one of her favorite scripture verses, "Speak to the children of Israel that they might go forward".

Respectfully submitted,

Mrs. Ruby Key.

REPORT OF THE ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

BENEFITS PAID

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers of their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.

NEW MEMBERS

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor. The Institution Protection Program, for employees in colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

DELAY PENALTY IS "WAIVED"

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67 per cent of all churches in the Southern Baptist Convention had enrolled.

According to the Protection Plan certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the Plan, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of delayed entry into the Plan. This adjustment was made effective with the May 31st checks.

After January 1, 1963, any person who daleys joining will penalize himself according to the participation clause.

FIELD WORK

The Annuity Board now has 14 field men working in 21 state conventions. Their program of education and promotion is conducted through state and associational meetings, on college and seminary campuses, in local churches and through conferences with laymen and pastors.

Guy Cain, field representative for North Carolina has his offices at the state convention headquarters, 301 Hillsboro Street, in Raleigh. Contact him for meetings in your church or association or for personal conferences. He will be glad to come and talk about the Annuity Board's ministry.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among

the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **We must remember that the help given is limited by the Mother's Day gifts of our churches.**

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,

Gwenn E. McCormick
Hospital Representative

REPORT ON BAPTIST CHILDEN'S HOMES

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. **NO** task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — leaving 476 for whom no room was available. Provision should be made immediately to ex-

pand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully submitted,

Vernon Sparrow,
Superintendent, Mills Home

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N.C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our

ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes — Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,

REPORT ON AMERICAN BIBLE SOCIETY

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

If the **people of the world** are to know Jesus Christ the one hope of men and nations, they **must have the Bible.**

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people **cannot afford even the cost of printing** the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1961 the American Bible Society —

— rejoiced that some part of the Bible has been published in **1181** languages; the full Bible in 226, a Testament in 281 more and a Gospel or other complete book in 674 more.

— distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.

— realized anew, from sharp increases in Scripture distribution in Cuba and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.

— continued to enlarge the worldwide ministry of the Finger-Fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people can not read. Records are now available in 40 languages and others are being prepared.

— gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

— expanded its distribution of Scriptures to persons of special needs: Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails, reformatories and prisons; migrant farm workers — and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptists churches gave $164,342 to the American Bible Society. Methodist gifts were $163,593. Gifts from all churches in the U.S.A. totaled $1,065,649.

Southern Baptists **can continue to lead — if every church will give.** Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give **at least** these amounts **each year:**

Smaller churches	$10 to $60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

REPORT ON EVANGELISM

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

Important meetings and programs:

Our associational clinic on evangelism will be held March 5, 1963. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses"— pastor's edition — (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

February 11-13, 1963, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

July 2-4, 1963 Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

All things point up the need for full committal to Christ in His redemptive purpose NOW . . . Nothing less than this will be enough. In fact nothing less than this has ever been enough.

Robert B. Glazner

SUNDAY SCHOOL REPORT

It is our conviction that the Sunday School is the best arm of the Church in reaching people and winning them to Jesus Christ. Those Pastors who really desire to build strong churches magnify the work of the Sunday School. The purpose of the Sunday School organization of the Pee Dee Association is to assist in this effort. Meetings are held quarterly emphasizing the different areas of work and the best means of work. An annual "Action Night" in September is held to present the Associational Sunday School program and goals for the following year. The value of these meetings will increase in proportion to the number who attend from over the Association.

One of the difficulties in the Associational S.S. work has been the enlistment of workers. Many Pastors have been hesitant to enlist personnel from their Churches. Let us remember that this is a missionary endeavour in the best sense of that word. As we share in this program all the churches of the Association will benefit and many more will be won to Christ.

This year a new Superintendent will be nominated. May I wish for him the best in cooperation that you can give.

Thanks for the priviledge of serving in this capacity for the past two years.

Respectfully submitted,

Scott Turner, Jr.

BROTHERHOOD REPORT

My friends, it is comforting to feel that I am honest with you when I entertain an attitude of optimism regarding the future of the Pee Dee Baptist Association Brotherhood. Even though there are times when you question the integrity of many of those that fall upon their knees and cry out to the Lord for forgiveness, and make beautiful promises of what they will do in the future. I wonder who is guilty of committing so many wrongs. The Brotherhood of every church definitely is the medium which can be used to arrive at just the kind of manhood which is needed in the church.

Of course, in all things there are recessions but there are times when retreat is necessary to advance. Sometimes resistance brings to the surface the fine qualities personalities possess and make the straight and narrow paths of life interesting and beautiful. Perseverance and tolenance are big factors in all church work.

Brotherhood, Christian lay leadership, in every church, when active, makes the church life inviting and attractive, enabling the pastor to entertain an attitude of security which gives him spiritual power. Brotherhoods collectively when on fire with spiritual activity certainly will overwhelm all opposition and make every Association big in numbers and give it spiritual strength and power.

When I sit and contemplate tomorrows of difficulties and tribulations, I am forced to believe, with churches containing so many Christian lay members, the Pee Dee Baptist Association Brotherhood will continue to grow.

Remember, the purpose of the Brotherhood is to assist the churches in organization, development and the utilization of men for Christ. Therefore, I humbly and reverently ask for the cooperation of every pastor and lay Christian, men and women, because in every business there must be organization and cooperation.

REPORT OF THE MUSIC ORGANIZATION

In the past two years efforts have been made to organize a music department in our association, and so far we have not made much progress. We tried to start in a small way, with a school of music, and of the thirty three churches in the Pee Dee Association we had six Churches participating. They are as follows: First Baptist of Hamlet 35 people, Second Baptist 7, North Laurinburg 1, Spring-Hill 1, Pee Dee 1, McDonald 5. That is a total of 50 people from an Associational membership of 6489 resident members.

It has been my experience that all Churches are interested in a music program for the Association, but that is as far as it ever gets. Nothing is done except to maintain a great deal of interest.

Two years ago the pastor of one of the larger churches in the association was contacted for some help in organizing a music department. He told us that he was not interested and that his church would not need this type of help or the type of music we would be teaching. At least he was honest, and stuck to his idea.

The frustration is caused by the reception we received from all pastors. They all, with one exception told us they were certainly interested, but then some of them did not even take the time to announce it to their people. I believe that with the proper emphasis, and with the wholehearted support of the Pastors, a musical training program could be conducted in every church the year round. I know that every church in the Pee Dee Association has some talent that could be trained, and this person could carry this training back to the local church. I hear from a lot of churches that they are too small to have any music training. The truth is that someone is failing to encourage the few who can, to help train others.

The State Music Department has the program for an Associational music program, and a Regional director in this area works very close to the State Office. This Person has the know how, the time and equipment to help get this thing started.

Any of you who honestly will support and attend a training program have only to make your wishes known to Mr. Joe Stroud at Baptist headquarters in Raleigh and he will carry on from there.

E. Bruce Sloop

REPORT OF THE RESOLUTIONS COMMITTEE

Whereas the Cobb Memorial and the Skyway Baptist Churches have entertained the meeting of the Pee Dee Baptist Association so well, in that they have provided for our comfort and sustenance by having adequate and attractive buildings and supplying abundance of food for the nourishment of our bodies, and

Whereas our Heavenly Father has blessed us in so many different ways during the past year, and

Whereas our church members and denominational leaders have inspired us through program participation, and

Whereas the world situation at the moment appears to be of a very critical nature and demands wisdom beyond ability to help.

BE IT THEREFORE RESOLVED:

1. That we give thanks to our Heavenly Father for His loving kindness to us during the past year;
2. That we express our sincere thanks and appreciation to the Cobb Memorial and Skyway Baptist Churches for their warm hospitality in entertaining the meeting of our association;
3. That our denominational leaders and other persons working with our agencies and institutions be assured of our prayers and other support;
4. That in view of the tensions and pressures of the world that we pray that God will permit us to avoid a devastating war and to push back advances of Communism and other anti-Christian forces and permit us to live in peace with one another in the world. Also, that we rededicate ourselves to God and pledge Him our individual and collective support in these efforts.
5. That we urge every church in the association to increase offerings to the Cooperative Program during the coming year.
6. That we urge and encourage a more vigorous associational program and participation in it;
7. That our moderator be commended for his leadership during his term of office and thank him for guiding us along in our efforts to advance the kingdom of God.

CONSTITUTION

I. NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

II. PURPOSE

The purpose of the association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in a world mission program.

III. MEMBERSHIP

A. The association shall be composed of messengers elected from the churches affiliated with it. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

B. Churches wishing to affiliate with the association shall make written request to the Missions Committee. This committee shall present the names of all churches applying for membership at the annual meeting. Each shall be received without vote under watchcare for one year. The Missions Committee shall make a thorough investigation of the petitioning church as to its doctrines, practices, and support of the association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention. It shall recommend to the association at the next annual meeting one of three actions:

1. Acceptance of the church into associational membership.
2. Further consideration for action at the next annual meeting.
3. Rejection of the petition.

C. The association may at any time withdraw from any church which it considers to be unsound in principle and practice.

IV. OFFICERS

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, historian, and three trustees. These officers shall be elected by the association at the last session of the annual meeting as the last item of business. The moderator and vice-moderator shall be nominated from the floor. The other officers shall be nominated by the nominating committee. All officers shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. The moderator and vice-moderator shall be limited to not more than two successive years of service.

V. AUTHORITY

A. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

B. The association shall never exercise any authority over, or give

direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

VI. ORGANIZATIONS

A. The association shall promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library and other organizations which are in keeping with the purpose stated above.

B. The officers of the associational Sunday School, Training Union, Woman's Missionary Union, Music, Library, and Brotherhood shall be elected by their respective organizations. Each organization shall furnish a list of officers to the associational Nominating Committee prior to the annual session. The Nominating Committee shall present these officers to the association for approval at the time of the election of the officers of the association. Those persons selected for officers in these organizations will serve in cooperation with officers already serving until they are approved by the association, at which time they shall assume full responsibility.

VII. EXECUTIVE COMMITTEE

A. The association shall elect an Executive Committee consisting of the pastor and one layman or lay woman from each church in the association. The officers of the association, namely, moderator, vice-moderator, clerk, treasurer, and historian, shall be ex-officio members of the Executive Committee, and shall serve as respective officers of the committee. All other officers and chairmen of standing committees shall be ex-officio members. (Ex-officio members shall not have the right to vote unless they are also members of the Executive Committee elected as representatives of their respective churches.)

B. The Executive Committee shall attend to all matters of the association between annual sessions.

C. The Executive Committee shall hold regular quarterly meetings. The chief officers of the Sunday School, Training Union, W.M.U., and Brotherhood, along with the associational treasurer, shall make written reports of their work at each quarterly Executive Committee Meeting. The Executive Committee shall make an annual report to the association.

D. The Executive Committee shall elect the associational Nominating Committee at its meeting three months prior to the annual associational meeting.

E. The Executive Committee shall not have power to entitle a church to affiliate with the association or have representation on the Executive Committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

VIII. MEETINGS

A. The association shall meet in annual session on Monday (afternoon and evening) and Tuesday (morning and afternoon) following the third Sunday in October.

B. The Executive Committee shall have power to charge the stated time and/or place of the annual meeting in case of necessity.

IX. COMMITTEES

A. The association shall have the following standing committees: Missions, Finance, Program, Calendar, Evangelism, Nominating, and Ordination.

B. The Nominating Committee shall nominate all of the above com-

mittees for election by the association, with the exception of itself. The Nominating Committee shall be elected in the manner described in Article VII Section D above.

REPORTS

AMERICAN BIBLE SOCIETY

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world—a task which calls for the widest possible distribution of the Scriptures.

People must have the Bible because
it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.
In most countries, people **cannot afford even the cost of printing** the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1962 the American Bible Society —

rejoiced that some part of the Bible has been published in 1202 languages; the full Bible in 228, a Testament in 285 more, a Gospel or other complete book in 689 more—but still faced the task of translating the Scriptures into another 1,000 or more languages.

extended its work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all Bible Societies of the world. Especially encouraging was its overseas distribution of almost 17 million volumes, which was a remarkable increase of 49 per cent over the year before.

gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

sought new ways for reaching people who have little or no acquaintance with the Bible. Among these new approaches is a program throughout Latin America, in which Christian **laymen** are **recruited and trained**, in

evening courses, in the evangelistic distribution of the Scriptures in their own communities, under the direction of their own churches.

continued to expand its distribution of Scriptures to persons of special needs in our own land: people with different language backgrounds; victims of disasters; people in crowded problem-filled "inner-city" areas; patients in hospitals and nursing homes; persons in jails, reformatories and prisons; migrant farm workers—and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

Two years, 1958 and 1961, Southern Baptists led all denominations in gifts to the American Bible Society. But in 1962 Southern Baptist gifts of $158,206 stood second, exceeded by Methodist gifts of $206,580. Gifts from all churches in the U.S.A. totaled $1,191,233.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions based on what many churches are now giving:

Every church can give **at least** these amounts **each year:**

Smaller churches	$10 to $ 60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

BAPTIST CHILDREN'S HOMES – 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

Since July, 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphases. The activities of the Executive Secretary have been varied. One of the purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contacts have been quite stimulating and it remains to be seen what results will accrue from these contacts.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to $303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were $324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be turned over to the Foundation in the very near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institu-

tions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

REPORT OF THE N. C. BAPTIST HOMES FOR THE AGING

American scientists and doctors are extending the age limit of old men and women within our borders. From this stems a challenge to all Christian people to care for and provide comfort and happiness for a great army of men and women living now in the late evening time of life.

At one end of the long line of opportunities of service and love on the part of North Carolina Baptists, stand eight hundred and perhaps more children being cared for in our three homes, foster homes, and Mother's Aid. At the other end of the line we find an ever increasing number of old men and women lifting their cry of need and distress to nine hundred thousand North Carolina Baptists who hold the answer to their cry.

Our churches, along with other great denominations of the state, are spending large sums of money with which to build homes of beauty and comfort for this faltering band. Currently we have four of these homes and resting places: Resthaven, Albemarle, Headquarters, and the youngest and one of the most beautiful of them all, the Hamilton Home in Eastern Carolina. This was made possible largely by the generosity and wise counsel of Mr. Don O. Matthews of Hamilton, N. C. Some 150 of these old men and women, waiting to be released from the suffering and sorrow incident to old age, are now secure and comfortable in these homes. This is but a stopping place along the way until they hear the summons to come up higher.

These institutions of mercy are supported by Special Day offerings, Co-operative Program, and individual gifts. To what more worthy cause could you now in the prime of life, extend help and succor than to this noble band marching toward the sunset of life.

Respectfully submitted,
J. B. Willis

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is

to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
R. C. Melton

BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The BIBLICAL RECORDER has literally grown up with North Carolina Baptists and the State Convention that they support. The Convention was organized in 1830 at Greenville and only three years later in 1833 the BIBLICAL RECORDER made its first appearance. It has been in business ever since strengthening and undergirding all that Baptists of this state love and support. As the Convention has grown, the RECORDER has grown in influence and circulation. Today it has more than 80,000 subscribers, the largest in its 130-year history.

In its long history, the RECORDER has been a valuable instrument of communication among Baptists. This is so important today as tensions arise. There must be a place where Baptists can come together in a common meeting place. The RECORDER provides this meeting place each week. When people know, they respond. When they are not informed properly and accurately, they become victims of rumors and misinformation.

Churches which already have clubs know the value of the RECORDER. But approximately half of our churches have no RECORDER subscribers except the pastor and Sunday school superintendent who receive the paper complimentary. As an incentive to churches to organize new clubs, the RECORDER is offering a two months' bonus plan. Simply stated, members of a new club can receive the RECORDER 14 months for the price of only 12 months. For only $2.50, in clubs of four or more, new subscribers can receive the RECORDER for 14 months the first year. After that period, we believe these new readers will want the paper to continue indefinitely. Pastors and Sunday school superintendents are urged to take the initiative in organizing a new club.

Even better than this bonus plan is the Every Family Plan which sends the RECORDER to every family in your church for only 4¢ a week per family. This is a small investment with tremendous dividends.

The RECORDER staff is at the service of North Carolina Baptists. It is dedicated to all that is strengthening the Baptist witness in this state and around the world. We believe it is worthy of your support and prayers.

Respectfully submitted,
Justis McKeel

ASSOCIATIONAL BROTHERHOOD REPORT

Again I can make an optimistic report on the stability and progress of the Pee Dee Baptist Associational Brotherhood. Of course when so many of the laymen and preachers refuse to attend Association meetings they are refusing to do those things which further God's kingdom on earth. We must not forget one of the best ways to serve God is to attend meetings where you can see and meet the people. Here I want to emphasize the importance of Christians meeting people. Please remember we successfully serve God by prayer and then give our prayers legs by attending meetings which are for the purpose of serving the Master. Just think what the Brotherhood, Christian lay leadership, in every church, when active, not only is a blessing to the church but means Christian recognition of the community.

Brotherhoods are for the purpose of encouraging laymen and preachers to be crusaders. Today this great nation suffers for crusaders. For some cause we don't seem to have the courage to face the issues. We seem to be short on strength, courage and faith.

Believe it or not, most of those people you see attending Sunday movies, playing golf, football and fishing on Sunday are church laymen. Which means plenty of work for the Brotherhood to do. In fact such conduct has become so common we no longer regard it as a violation of Christian principles, which is evidence we, the Brotherhood, have become too tolerant of the devil. When Christians refuse to attend meetings furthered by church organizations evidently little do they realize what such indifference means to our homes and this great nation.

Yes, the church suffers for Brotherhood crusaders. Such people give the church spiritual strength which means power, spiritual power. I believe if the laymen and preachers would give their Brotherhoods the support the Brotherhoods deserve the churches would be far more effective in their efforts to make the Sabbath God's day. Therefore, let us refuse to be seen in places that cast unfavorable reflections on us. Be diligent, be enthusiastic church workers.

John D. White

REPORT OF THE CHRISTIAN ACTION LEAGUE TO ANNUAL ASSOCIATIONAL MEETINGS

The world-renowned Dr. Albert Schweitzer has said, "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today.

It is estimated that in the year 1962, there were 68,000,000 American adults who drank alcoholic beverages in some degree. Of these, 5,400,000 were alcoholics and another 4,100,000 were heavy drinkers or problem drinkers (pre-alcoholics). Take into account that for each one of these 9,500,000 there are five additional people whose lives are adversely affected by their drinking. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

But the story does not end here. Alcohol is writing a very shameful and bloody record on the highways of our land. In 1962 there were:

40,500 deaths on the highways (2,900 more than 1961)

3,345,000 injuries on the highways (288,000 more than 1961)

Some estimates go as high as 75% in the relation of alcohol to these accidents. The Highway Patrol says that alcohol was a factor in more than 50% of the fatal accidents on North Carolina highways last year.

No indictment against this No. 1 enemy can be made too strong.

The Christian Action League is an organization of the evangelical denominations of North Carolina for action in areas of common concern in the moral issues of the day. Many denominations are affiliated with the organization, and are functioning through a Board of Trustees. The functional committees are those on Education, on Good Government and on Publications. An Executive Director is employed for full-time service in promoting the work of the organization. The financial support of the League comes from donations by the affiliated denominations, from churches and from individuals who are concerned.

The League is not engaged in partisan politics, but does seek the support of all parties in promoting legislation for the common good and in opposing legislation detrimental to the moral welfare of the citizenship of the state.

In particular, the Christian Action League seeks (a) to unite all who believe in total abstinence from alcoholic beverages to a cooperative effort to agitate, legislate and educate against this social evil; (b) to awaken public interest in opposing gambling, narcotic addiction, salacious literature and acts of violence and vandalism; (c) to promote programs for the rehabilitation of the victims of alcoholic beverages and other narcotics.

The Executive Director of the League is Reverend D. P. McFarland, and the office is located at 424½ Fayetteville Street, Raleigh, North Carolina.

REPORT ON EVANGELISM

Dr. K. Owen White, President of Southern Baptist Convention, recently gave the answer to the question, What course should Southern Baptists follow in the face of present conditions? Dr. White said that a great surge in evangelism was the answer. "My prayer is that the fires of faith shall burn anew within us," he said. The fires of faith are expressed through our efforts in evangelism. He went on to say, "What we are doing now isn't getting the job done."

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptism 239. By letter 302. Total 541. There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His Spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses people in them.

1964 has been designated as the climatic Jubilee Year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Let us be conscious of the reality of the truth that the conditions of

the world can only rightly be met through evangelism. This is God's method of reaching people with their needs. We can fortify our efforts through our association, state, and our Convention.

IMPORTANT MEETINGS AND PROGRAMS: PLANS FOR '64

There will be an associational clinic on evangelism sometime in the late fall or early winter. The dates will be announced later. All pastors and associational officers should plan to attend.

Soul-winning Commitment Day will be January 5, 1964.

January Bible Study Week will be held, January 6-9, 1964.

The months of January-March, 1964, is set aside for Cultivative-Commitment Witnessing. This is a time to train our church people to witness for Christ.

Training Union Program on Evangelism in January, 1964.

Televangelism Program begins February 1, 1964.

State-wide Evangelistic Conference, February 10-12, 1964, First Baptist Church, Winston-Salem. Every church should see to it that their pastor is able to attend this important meeting. It can mean much to him and in turn be a blessing to the church.

Associational Sunday School Witnessing Campaign, January-February, 1964.

February is month of Transfer Church Membership. This should be a time for churches to emphasize the enlisting of non-resident church members in active service.

Associational Evangelistic Rallies, February 10 and February 12, 1964.

The Baptist Jubilee Revival Date for the Pee Dee area and this section of North Carolina is set for March 8-22, 1964. Every church should plan to participate in this great revival effort, to reach every person for Christ within the territory of our association.

Let us resolve anew to commit ourselves to the task of evangelism. Jesus said, "Go Ye," which can easily be translated, "As you go, Make disciples." In our everyday duties, we should be evangelistic.

Respectfully submitted,
Melvin Greene

ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF THE PEE DEE BAPTIST ASSOCIATION

The Executive Committee met three times during the year on the following dates: January 28, April 29, and July 18.

1. Written reports were received at each meeting from the heads of the associational Sunday School, Training Union, Woman's Missionary Union, and Brotherhood. The associational treasurer made a report at each meeting.

2. At the meeting on January 28, a committee was appointed to find the sentiment of the churches with reference to re-establishing the Associational missions program. The Rev. G. Carl Lewis was chairman of this committee. It was reported by this committee at the meeting of July 18 that there was not sufficient interest in favor of the Associational missions program to resume the work at the present time.

3. At the meeting of July 18, the Rev. Robert B. Glazner presented to the Executive Committee a proposed change in the Associational Constitution which would provide for an Ordination Committee as a regular standing committee to be elected by the Association at the annual meeting.

4. At the July 18 meeting, the Executive Committee heard Dr. L. H.

Hollingsworth, Chaplain of Wake Forest College, speak on the proposed change in the manner of electing trustees of the college.

This report was approved by the Association on October 21, 1963.

REPORT OF THE RESOLUTIONS COMMITTEE

Whereas, the Calvary Baptist Church and the Pee Dee Baptist Church have entertained the meeting of the Pee Dee Baptist Association so well, in that they have provided for our every need, and

Whereas, our Heavenly Father has blessed us in so many different ways during the past year, and

Whereas our church and denominational leaders have inspired us through program preparation and participation, and

Whereas this is our Year of Jubilee of Advance, and

Whereas we have had fewer baptisms in the past year, and

Whereas the world needs are so pressing,

BE IT THEREFORE RESOLVED:

1. That we bow in humble gratitude to our Heavenly Father for blessings for the past year;
2. That we express our deepest appreciation to the Calvary and Pee Dee Baptist Churches for their warm hospitality in these days of meeting;
3. That we are grateful to our church and denominational leaders for their inspired words of wisdom;
4. That we join Baptists of America in this Year of Jubilee Advance;
5. That we urged all Baptists to give of themselves in witnessing and giving through the Cooperative Program;
6. That we face this Jubilee Year with prayer and supplication that God will lead us to victory in Christ.

REPORT OF THE ASSOCIATIONAL SUNDAY SCHOOL

The Sunday School is an agency of the church. Although the movement started outside the church, it now belongs to the church. It is the Bible teaching arm of the church.

Dr. A. V. Washburn, southwide secretary of our Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in right order. The natural order is the reaching of people, the teaching of the Bible, the winning of the lost, and all the development that should come out of it."

Our theme for 1963-64 is "Outreach for the Unreached—Spearhead for Evangelism." We hope our association will schedule the Sunday School Witnessing Program next January or February in preparation for the Jubilee revivals. All teachers and officers should be soul winners.

In reaching out for the unreached we urge each Sunday School to have an enlargement campaign. The state Sunday School Department will help us follow the proven formula: locate the prospects, enlarge the organization, provide space, train the workers, and visit the people. When we put these into practice along with the observance of the laws of Sunday School growth, we will grow.

Each Sunday School should observe January Week of Bible Study, plan a church and mission Vacation Bible School, promote Operation Home Study and other related projects of the Church Study Course, make possible its workers attending the assemblies at Caswell, Fruitland, and Ridgecrest. In this year of evangelism, each teacher and officer should win at least one person to Jesus Christ.

All churches are asked to cooperate with the associational Sunday School program. Attend the meeting. Become acquainted with the goals for 1963-64. Let us work together in such a way that all might come to know Jesus Christ as Lord and Saviour.

Respectfully submitted,
Phillip Tillman

ASSOCIATIONAL TRAINING UNION
1962—1963

In presenting the report of the Associational Training Union, I would first acquaint you with the fact that our Training Union program has been going through a period of reorganization for several months. At this time I am happy to report that we have a complete roster of officers and leaders who will be dedicated to the task of promoting an associational training union program that will be outstanding in our state.

During the year, we had three outstanding meetings. "M" night at the First Church of Rockingham; our Associational Tournaments at the East Rockingham Church and our Youth Night at the First Church of Hamlet. All of these meetings were inspirational and challenging.

In reviewing the work of this department, we can point with pride that we have been successful in some areas of our work, however we realize that there is much to be accomplished in our program of training and preparation.

One of the great realities of life is potential learning and growth. It becomes a part of us for the present and the future. It adds height, depth, breadth and strength to make us citizens of time and space.

The present serious threats to our Baptist unity to a large extent centers in our ignorance of what Baptists believe and how they go about their work as New Testament Christians. There is no excuse for this. Our beliefs and practices are clearly and interestingly interpreted in all kinds of books, pamphlets and materials prepared for us by our Training Union department.

One of the greatest needs of our churches today is an accelerated program of training. If we are to meet the needs of our communities and those of the world, we must realize the importance of a continuous, well balanced training program. As Christians we have a tremendous task of telling the story of Christ to all peoples of the earth, therefore we must prepare ourselves in a program of training in Christian growth, methods and service. It is almost essential that every church have some method of promoting and administering a program of training and development of Christian motives.

It is the prayer and hope of our Training Union organizations that during the year ahead, all of us as church members will plan and put forth our best efforts to train ourselves in a continuous program of training so we can meet the challenges and demands of Christianity to a lost world. To this end, we dedicate ourselves.

Respectfully submitted,
John T. Strickland
Asso, Training Union Director

REPORT OF THE ASSOCIATIONAL W. M. U.

In Woman's Missionary Union, 1962-63 was a time of looking back. We saw the women of 75 years ago, as they met together to pray, and then separate, to give and to serve. It was a thrill to see how God moved as they prayed. We read again the letter from the pen of Lottie Moon of China. "It is odd that the million Baptists of the South can furnish only 3 men for all China. I wonder how this looks in heaven. It certainly looks queer in China." Our hearts were humbled as we heard her say, "I will not leave Pingtu until help is sent." All over the Association, remembering sent women to their knees in prayer. An Associational Prayer Retreat was held at Laurinburg First Baptist Church. Individual churches planned these Retreats. Some churches began praying in the morning at sunrise and continued in prayer until sunset. What was the result? 42% of the churches had a 15% increase in their offering to the Lottie Moon Offering for Foreign Missions and the Annie Armstrong offering for Home Missions.

As I have participated in the Lord's work, I have been overwhelmed with two things: when Christian people become aware of the needs of others they pray, and when they pray they rise from their knees to give; giving of themselves and their substance.

Now, as members of Woman's Missionary Union, what is our task? It is the same today as it was yesterday. It is the same today that it will be tomorrow, that of helping the church to become aware of world needs. Baptists will never measure up to the World Mission task until they know the needs. So, through Missionary programs, through mission study classes, through youth Rallies and Sunbeam Day Camps, the needs are presented. Some have been faithful in this task. Seven organizations reached the highest level, that of being honor. Nine were Advanced and sixteen were approved.

For five years Baptists in the major fellowship of North America have joined in a program called the Baptist Jubilee Advance leading up to

this year of Jubilee. The advance emphasis premeates the plans for W. M. U. this year. We are calling upon the women and young people to advance in their study, to advance in their giving, to advance in their witnessing to the unsaved. But we will make no advance except as we advance on our knees. May God's Spirit guide us as we move out into the wilderness of sin.

Respectfully submitted,
Mrs. G. Carl Lewis
Associational W. M. U. President

MINUTES OF THE ANNUAL MEETING OF WOMAN'S MISSONARY UNION

On April 19, 1963, Woman's Missionary Union of the Pee Dee Association held their sixty-eighth annual meeting at Cartledge Creek Church, Rockingham, N. C. With this meeting our W. M. U. celebrates its Seventy-fifth Anniversary.

Mrs. Perry Parks told about the 50th Anniversary of Girls' Auxiliary after which Mrs. John Yates brought the Sunbeam Report. Mrs. Key gave a short history entitled "Our Association—Through The Years." Mrs. C. A. Gillis presented our anniversary goals after which the hymn "O God, Our Help In Ages Past" was sung.

REPORTS

REPORT ON AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme for a program of missionary advance in which the American Bible Society is seeking to provide greatly increased quantities of Scriptures urgently needed for mission work around the world.

If the **people of the world** are to know Jesus Christ
the one hope of men and nations, they **must have the Bible.**
Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.
But, in most countries, people **cannot afford even the cost of printing** the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern

Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and Talking Book records.

In the program of "God's Word for a New Age" your American Bible Society is working in cooperation with 22 other national Bible Societies throughout the world.

The goal for the years just ahead is to increase the total worldwide Scripture distribution to 150 million volumes per year, which is three times the present global distribution, with half of this goal (75 million volumes per year) being undertaken by the American Bible Society. The long-range goals are:

A Bible for every Christian home
At least a New Testament for every Christian
At least a Scripture Portion for all who can read.
An opportunity for every Christian to distribute Scriptures in personal witness

During 1963 the American Bible Society —

rejoiced that some part of the Bible has been published in 1216 languages; the full Bible in 231, a Testament in 290 more, a Gospel or other complete book in 695 more — but counted over 1,000 more languages in which no book of the Bible has yet been published.

gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and the men in service.

distributed a record total of over 34 million Scripture volumes in 444 languages, in more than 120 countries — with almost half the total going to other countries — and dedicated itself to the task of doubling its annual distribution to meet urgent worldwide needs.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1963 Southern Baptist churches gave $167,498 to the American Bible Society. Methodist gifts were $172,771. Gifts from all churches in the U. S. A. totaled $1,120,277.

The help of every Southern Baptist church is needed and **Southern Baptist Churches can lead — if every church will give.** Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give **at least** these amounts **each year.**

Smaller churches	$ 10 to $ 60
Larger churches	$ 60 to $300
Great city churches	$300 to $600 or more

Please send your gift to your Baptist state office marked "for the American Bible Society."

REPORT OF BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again —learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided for those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with CHARITY AND CHILDREN, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptis churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives CHARITY AND CHILDREN so that every family may be better informed about the work of North Carolina Baptists, and particularly the

program of child care. The subscription price is sixty cents per year in bundle form.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasising the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Respectfully submitted,
C. Gordon Maddrey,
Executive Secretary

REPORT ON THE N. C. BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of those

who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to bulid and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets. and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3,400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
William A. Poole,
General Superintendent

REPORT ON N. C. BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the services they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people

REPORT OF THE BROTHERHOOD

Pee Dee Baptist Association Brotherhoods are awake and on the alert. Today our church brotherhoods mean more toward the furtherance of the interest of our Baptist Churches and church fellowship than ever before.

Brotherhood attendance means more toward the enlightenment of many people's needs. Of course an active Brotherhood demands interest supported by enthusiasm.

Recognition is an important part of any advancement plan. And because of Brotherhood achievement church recognition will be a big factor in its progress.

The added advantage of hindsight is always a powerful ally in helping disinterested church members, especially laymen, to awaken to their Christian responsibility.

The Brotherhood provides Christian opportunities that heretofore many laymen were denied.

Yes, please remember the word Brotherhood means kind words kind deeds, kind looks, supported by Christian enthusiasm and love, it will continue to be a church asset. Remember there is no pride and importance in the activities of enthusiastic Brotherhood members.

Colonel John D. White,
President

REPORT ON CHRISTIAN EDUCATION

North Carolina Baptists have been in the business of Christian Education for 130 years, beginning with the founding of Wake Forest College in 1834. It is of historical interest to the Pee Dee Association that it was at the annual session of the Baptist State Convention, meeting in 1832 at the Cartledge Creek Church that the decision was made to establish our first college.

In the intervening years six other colleges have been established: Chowan in 1848, Campbell in 1887, Wingate in -1896, Meredith opened for students in 1899, having been granted a charter in 1891, Gardner-Webb in 1905, and Mars Hill in 1921. Campbell and

Mars Hill have now joined Wake Forest and Meredith as four year colleges while Chowan, Gardner-Webb and Wingate remain Junior Colleges.

Wars, financial depressions, and limited ability and interest on the part of the churches have resulted in difficult years for our colleges. Some of us can recall the critical years of the early Thirties when it seemed that some of our institutions would have to close their doors. For instance, had it not been for the support of some six or eight North Carolina Baptist Associations, including the Pee Dee, and two South Carolina Associations, Wingate could not have survived. Recent years, however have produced greater Convention interest and support in the work of our seven colleges.

During the past 25 years North Carolina Baptist colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11 000 students. The total property value of our colleges exceeds $60,000,000. These colleges have graduated some 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music. We rightly asume that other students, under the guidance of Christian faculty members and in the environment of Christian emphases will feel the call of God to vocational Christian service.

The Cooperative Program is a lifeline for the Baptist Colleges for two reasons: First, accreditation by the Southern Association of Colleges and Schools. This agency requires a guaranteed annual endowment or income. Without this accreditation students could not enter the ministry or practice a single profession. The Cooperative Program income represents an endowment of $33,000,000 without which not a single North Carolina Baptist College at the present time could meet standards for accreditation. North Carolina Baptists rank well with all denominations in supporting Christian higher education out of the total amount which they have to give. Second, it provides a covenant relationship. The ties which bind these seven colleges to the Convention are not now nor have they ever been primarily financial. The true ties which bind us together are to be found in the Bible, in our history and what we believe as Baptists is our mission in the world. Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship and a sense of working together to achieve a common goal.

The Council on Christian Education is deeply grateful for the support of the Brotherhood in promoting the 1964 Christian Education Day emphasis with special emphases on the church-

related vocational workers. We are also grateful for the splendid response to the offering. The Christian vocational worker will be a continuing emphasis of the Council. In addition to continuing the emphasis each year on the Christian vocational worker, the theme for Christian Education Day next year will be built around "The Contribution of North Carolina Baptist Colleges to Lay Leadership."

The Council on Christian Education is now engaged in a serious self-study, which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus. Of special interest to our association will be the portion of the study dealing with the ministerial student and the Christian vocational worker. This study will deal with the problem of enlisting more young people in full-time Christian service, studying ways and means of more financial help; and this study will also be concerned with how the churches and the colleges can work more closely together to meet these needs.

I want to take this opportunity to appeal to our churches to give more enthusiastic, prayerful, and financial support to our program of Christian Education. Too many of us have been quick to criticize and slow to endorse the work of our colleges.

As reported in the minutes of our Association last year, our churches gave, through the Cooperative Program and designated gifts, a total of $15,557 to Christian education, an average of less than $500 per church. Seven of our 33 churches had no part whatsoever in the work of Christian Education. The amount given had to be divided between seven colleges, the Council on Christian Education, and Baptist student work at our own colleges, State schools, and other private institutions.

It is time for North Carolina Baptists to throw all possible support to our colleges, convinced that this too, is a means of carrying out the Great Commission of our Lord.

Respectfully submitted,
G. Carl Lewis

REPORT ON CHRISTIAN LITERATURE

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these

needs, the RECORDER seeks to do the following:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsbility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

What has been said about the "Biblical Recorder" can also be said about "Charity and Children." As you know there are scores of other publications that are available to Southern Baptists that also seek to inform, interpret and influence.

"Home Life" is a magazine that can be a ministry in itself. It can benefit the Baptist home through its devotional material. It can introduce the Christian view to everyday problems to people by being placed in barber shops, beauty salons, jails, doctor's waiting rooms, and many other local establishments.

The church can minister to its members who cannot attend meetings by providing them with literature that will guide them in Bible study. We can help less fortunate churches by saving our old literature for their use.

The Church Program Guidebook lists all of the topics that will be used in our S. S. and T. U. studies for the new year. This will help you plan. The vast variety of materials available enables us to have sufficient resources to find answers, helps and guides for our Christian service. The literature is not meant to take the place of the Bible. It is a guide in applying the truths of the Bible. Christian literature can be a stimulus for even deeper in-

terest and study of the Holy Scripture.

REPORT ON EVANGELISM

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City New Jersey, in May, 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism 288; By Letter 263; TOTAL 551.

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we enedavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in new SOUTHERN BAPTIST HANDBOOK ON EVANGELISM which is as follows: "Evangelism is the outreach of the church by confrontation with the Gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being IN CHRIST and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

John Hiott

REPORT ON SUNDAY SCHOOL

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "GO and TEACH all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; TEACHING them to observe all things . . ."

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southen Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are

challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. EVANGELISM, STEWARDSHIP, MISSIONS, DISCIPLESHIP — all of these wait upon outreach. PEOPLE must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, and to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School is urged to observe January Week of Bible Study, to projects—clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland and Ridgecrest. AS OUR SUNDAY SCHOOLS GO, SO WILL OUR CHURCHES GO.

Our Sunday Schools in the association reported a total enrolment in 1964 of 7,314 as compared with 7,549 in 1963.

Respectfully submitted,
Phillip Tillman

REPORT ON TRAINING UNION

For some time now we have been "sensing" an "Upswing' and a renewed interest in the ministry of Training Union. This is wonderful because this is essentially the ministry of Christian Education and Christian Development for the local church. This is a ministry we cannot afford to neglect. All of us have a great and challenging task of working together in this vital ministry.

These are exciting days for the ministry of Training Union.

Many new ideas, new materials and a new seriousness to our need for Christian training are coming to us through our Training Unions.

This has been a busy year for Training Union in our Pee Dee Association. Your associational Training Union director visted in seventeen churches throughout the association this year. Mrs. John Prothro our Junior Director and three Junior girls from the First Church of Hamlet, assisted your director in four Junior Memory Work Tournament demonstrations.

We had two special nights during the year. 338 attended our "M" night program and 91 were in attendance on "Youth Night". This small attendance on Youth Night was due to the fact that many of our churches were holding Jubilee Revivals during this week.

We had one church represented in the Junior Memory Work Tournament, one church represented in the Intermediate Sword Drill Tournament, one church represented in the Speakers Tournament. Our association was represented in the regional and state touraments in Junior Memory Work Tournaments by Dianne Jernigan, Susanne Dean and Johnnee Clarkin of the First Church of Hamlet.

We have twenty-four Training Unions in our association with an enrollment of 3,102. Our goal for next year is twenty-five Training Unions with an enrollment of 3,300.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in the Training Union work.

Also, may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
John T. Strickland, Director

REPORT OF WOMAN'S MISSIONARY UNION

1961-1964 was a year to be remembered, because it was a year in which we re-lived 150 years of Baptist history. As many of us sat in the great auditorium in Atlantic City and saw and felt what our forefathers endured, we realized anew how soft we have become. During Youth Week at Ridgecrest there was a wonderful pageant showing the beginnings of Baptist work in America. As one woman saw the trials and heartaches of our early Baptists, she turned to me and said, "I never knew before how much other people have suffered for me." I believe last year did something for serious-thinking Baptists.

Now in this Anniversary Year what did we do as an Associational W. M. U.? Our work was centered around three areas: organization, information ,and inspiration.

First, in our organization we adopted by-laws to guide us in our work. These were based on the suggested by-laws of our State W. M. U. For the first time an Associational W. M. U. budget was presented and adopted. The budget has been a wonderful help. It has been somewhat trial and error, but by keeping a close check on our expenditures we believe we can have a more wisely planned budget for the coming year.

Second, we have majored on training. We began by sending four of our Associational officers—President, Sunbeam Director, Mission Study Chairman, and Prayer Chairman—to the Southwide W. M. U. week at Ridgecrest. Nothing else can quite compare with this for training and inspiration. In August, 9 of our 10 officers attended a State overnight workshop at Campbell College. Here the group was trained to do associational work. On October 14, 1963, we had an associational W. M. U. workshop, at which 175 local W. M. U. officers were trained to do the work in the local churches. What was the result? We had 100% of our W. M. U. organizations reporting at the end of the year. When we had assembled our reports we found we had 11 new organizations reported and had achieved the highest recognition of W. M. U., that of Honor Association.

We might organize and we might train but "where there is no vision, the people perish." Therefore, in the third place, we have sought to inspire our women for the task to be performed. In November of last year we had more than 400 women and young people to attend an associational mission study class taught by Mrs. J. T. McRae, missionary to Jordan. Earlier in November a group of our women gathered for a World Day of Prayer. In February our women came together again to hear the W. A. Mitcheners, world missionary travelers, who presented in message and slides the missionary needs of the world.

An associational Y. W. A. Council was organized and met in February for fun and inspiration. April was the highlight month, for our annual meeting was held at Calvary Church with Mrs. Judson Lennon of Thailand speaking. In May the G. A. Rally

was held and 350 of 429 members were present. In August 53 of our 8 year old Sunbeams met for a Day Camp with Rev. J. J. Cowsert, missionary to Brazil, speaking. Thus we sought the inspiration of God for our women and young people.

Now we approach a new year with its emphaises on Worship, an art in which most Christians are lacking. In the hustle and bustle of our age our people have almost lost the sense of the presence of God. So,

From the fret and fever of the day's business,
From the world's disturbing noises,
From the praise and blame of men,
From the confused thoughts of our own minds,

We need to turn aside and seek the quietness of His presence. To this end, Woman's Missionary Union joins hands with the other organizations of the church.

Respectfully submitted,
Mrs. G. Carl Lewis, President

MINUTES OF THE ANNUAL MEETING OF THE WOMAN'S MISSIONARY UNION

On April 14, 1964 Woman's Missionary Union of Pee Dee Association held their Annual meeting at Calvary Church, Hamlet, N. C. The theme of the meeting was "For Liberty and Light." There were 150 ladies present at the meeting.

After the President, Mrs. G. Carl Lewis, called the meeting to order the hymn "O God We Pray For All Mankind" was sung. Mrs. Lewis then read the Calendar of Prayer and led in prayer.

The First Baptist Church, Hamlet, gave the devotional interpreting the theme for the year.

Associational Chairmen giving highlights of last year's work and plans for this year were: Community Missions — Mrs. Howard Benoy, Mission Study — Mrs. Ben Broadway, Stewardship: Mrs. C. R. Valverde. The G. A. Director and the Y. W A Director also gave reports of their work As the W. M. S. report, several Presidents presented a skit telling of their work

During the business session, Mrs. Lewis asked that messages be sent to Mrs. John Yates, and L. M. Deaton, Hoffman.

The minutes of the 1963 meeting were read and approved.

The suggested By-Laws as compiled by the Executive Board were read and the following changes made:

Article V.

Add Sec. 3—These officers shall begin their work immediately after being elected in April.

Change Article VIII.

Sec. 3—Instead of 1st Wednesday in each quarter, "Regularly" each quarter.

The By-Laws were adopted with these changes.

Motion made and seconded that instead of $100.00 Scholarship Fund that money be used to send officers to Ridgecrest, since Wingate College is offering tuition and expenses to those who need it for training in full time Christian work. This motion carried.

The proposed budget was read and approved. It is as follows: Annual Meeting — $125.00, Workshop, Ridgecrest — $200.00, Workshop, Campbell — $20.00, Workshop Association — $80.00, Sunbeam Day Camp—$50.00, G. A. Rally—$50.00, Y. W. A. Council —$50.00, Asociational Executive Committee — $20.00, Associational Mission Study Institute—$25.00, Associational Leadership Course— $25.00, Contingency Fund—$50.00, Total: $705.00.

The nominating Committee presented their report and the officers were elected as presented. They are: President: Mrs. G. Carl Lewis, Vice-President; Mrs. Scott Turner, Sec.; Mrs. Wayne Davis, Treasurer: Mrs. D. M. Wood, Y. W. A. Director: Mrs. John Hiott and Mrs. Wilbur Richardson, G A Director: Mrs. P. M. Parks, Sunbeam Band Director: Mrs. Ralph Gandy, Prayer Chairman: Mrs. C. S. Monteith, Mission Study Chairman: Mrs. Ben Broadway, Stewardship Chairman: Mrs. C. R. Valverde, Community Mission Chairman: Mrs. Howard Benoy.

Mrs. Scott Turner issued the invitation to hold the 1965 Annual meeting at the Beverly Hills Church, Rockingham, N. C. This invitation was accepted.

The Laurinburg First Church presented the Jubilee Emphasis.

Rev. Charles Hinson welcomed the members to Calvary Church.

Mrs. Judson Lennon, Missionary to Thailand, brought a very inspiring message about her work.

The meeting was closed with a prayer by Rev. Charles Hinson.

We would like to express our deep appreciation to the Calvary Baptist Church for being such a gracious Hostess and also for the delicious lunch.

CONSTITUTION

I. NAME

The name of the association shall be the Pee Dee Baptist Association of North Carolina.

II. PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in a world mission program.

III. MEMBERSHIP

A. The association shall be composed of messengers elected from the churches affiliated with it. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

B. Churches wishing to affiliate with the association shall make written request to the Missions Committee. This committee shall present the names of all churches applying for membership at the annual meeting. Each shall be received without vote under watchcare for one year. The Missions Committee shall make a thorough investigation of the petitioning church as to its doctrines, practices, and support of the association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention. It shall recommend to the association at the next annual meeting one of three actions:

1. Acceptance of the church into associational membership.
2. Further consideration for action at the next annual meeting.
3. Rejection of the petition.

C. The association may at any time withdraw from any church which is considered to be unsound in principle and practice.

IV. OFFICERS

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, historian, and three trustees. These officers shall be elected by the association at the last session of the annual meeting as the last item of business. The moderator and vice-moderator shall be nominated from the floor. The other officers shall be nominated by the nominating committee. All officers shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. The moderator and vice-moderator shall be limited to not more than two successive years of service.

V. AUTHORITY

A. The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

B. The association shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

VI. ORGANIZATIONS

A. The association shall promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library and other organizations which are in keeping with the purpose stated above.

B. The officers of the associational Sunday School, Training Union, Woman's Missionary Union, Music, Library, and Brotherhood shall be elected by their respective organizations. Those persons selected for officers in these organizations will serve in cooperation with officers already serving until they are approved by the association, at which time they shall assume full responsibility.

VII. EXECUTIVE COMMITTEE

A. The Association shall elect an Executive Committee consisting of the pastor and one layman or lay woman from each church in the association. The officers of the association, namely, moderator, vice-moderator, clerk, treasurer, and historian, shall be ex-officio members of the Executive Committee, and shall serve as respective officers of the committee. All other officers and chairmen of standing committees shall be ex-officio members. (Ex-officio members shall not have the right to vote unless they are also members of the Executive Committee elected as representatives of their respective churches.

B. The Executive Committee shall attend to all matters of the association between annual sessions.

C. The Executive Committee shall hold regular quarterly meetings. The chief officers of the Sunday School, Training Union, W.M.U. and Brotherhood, along with the associational treasurer, shall make written reports of their work at each quarterly Executive Committee Meeting. The Executive Committee shall make an annual report to the association.

D. The Executive Committee shall elect the associational Nominating Committee at its meeting three months prior to the annual associational meeting.

E. The Executive Committee shall not have power to entitle a church to affiliate with the association or have representation on the Executive Committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

VIII. MEETINGS

A. The association shall meet in annual session on Monday (afternoon and evening) and Tuesday (morning and afternoon) following the third Sunday in October.

B. The Executive Committee shall have power to change the stated time and/or place of the annual meeting in case of necessity.

REPORTS

REPORT ON THE AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme for the 150th Anniversary of the American Bible Society to be observed in 1966. It is also the theme of a program of missionary advance in which national Bible Societies throughout the world are seeking to provide greatly increased quantities of Scriptures urgently needed for mission work around the globe.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave--and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad, helps missionaries translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records, and tape recordings.

The goal for the years ahead is to increase the total worldwide Scripture distribution to 150 million volumes per year, which is three times the recent global distribution, with half of this goal (75 million volumes per year) being undertaken by the American Bible Society.

Because the Bible Society serves mission work-and Southern Baptist missionaries depend on the Society for Scriptures they need for their people - Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1964 Southern Baptist churches gave $190,334 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1, 186, 960. Please send gifts to your Baptist state office marked "for the American Bible Society."

REPORT ON THE BAPTIST CHILDREN'S HOMES

The age of planning for the future is upon us. Never before have so many taken steps to insure their future as there is today.

Jesus did many great things while here on earth. The Bible tells us that He blessed the little children, and had compassion on them.

Now Jesus had a message for all people and every age, and I believe our North Carolina Baptists heard this message, and as the Lord placed the same love and compassion in their hearts, and based on that love, Baptists established our Children's Homes.

We can share in the future of these youngsters in our Children's Homes and at the same time share in the future of our world. The children, who are followers today, will be leaders tomorrow as they become adults.

Our prayers and the dreams of hundreds of little children have come true, and can come true in a greater way, as we support this agency of our Baptist program in a more compassionate manner, and in so doing will help insure the future of God's world.

REPORT ON THE BAPTIST FOUNDATION

During the past four years the Foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptist are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey, Executive Secretary

REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

For more than forty years North Carolina Baptists have sponsored a ministry of healing which has blessed tens of thousands of people. From a small beginning our Hospital, with its related Bowman Gray School of Medicine of Wake Forest College, has become one of the great medical centers of the nation. With a staff of 1,200,

530 beds, and its program of clinics and outpatient departments, the Hospital serves a surprisingly large number of persons each year. Last year more than 18,000 people were patients in the hospital and 150,000 were examined and treated through its service departments and clinics.

The Hospital began to expand its size and ministry in 1941 when the two-year medical school at Wake Forest College was moved to Winston-Salem and enlarged to a four-year school. Since that time there have been few months when there was no new construction in progress. In recent years the size of the Medical School building has more than doubled, and the Hospital has continued to grow.

At the present time plans are moving ahead for a $17,000,000 expansion which will add further growth to the capacity of the Hospiral and will enlarge its many ministries.

In addition to the very finest in general and specialized medical services, the Hospital and School of Medicine provide paramedical schools for the training of large numbers of young men and young women for physical, mental, and spiritual ministries of healing. In addition to the training of doctors and specialists in all fields of medicine, the following accredited schools are operated: Nursing, Practical Nursing, Medical Technology, Cytotechnology, X-Ray Technology, Anesthesia for Nurses, Medical Record Library Science, Pastoral Care. The student body in these several schools is in excess of 700.

The School of Pastoral Care and a strong program of Hospital Chaplaincy have enabled the Hospital to conduct a program of spiritual healing which possibly is the strongest in the nation. With doctors and ministers working as a healing team efforts are made to minister to the whole person so that patients may leave the institution with emotional and spiritual health as well as healthy bodies.

A prominent phase of the work of the Hospital is its ministry through the Out-Patient Department. Through this medium of service more than 80,000 patients are treated each year. These are people who can pay only a portion of medical costs or are unable to pay for any of the cost of service. The ministry is financed chiefly through the Mother's Day Offering from the Baptist Churches in the State. Our records of one year ago show that the churches in the Pee Dee Association contributed $2,327 toward this ministry. Let us enlarge our interest and support of the healing ministry throughout Baptist Hospital.

REPORT OF THE BROTHERHOOD

We have in our association 33 churches and one mission. Out of this number we have 15 Brotherhoods and 18 R.A. programs. There are ten Crusader chapters with an enrolment of 91, eight

Pioneer chapters with an enrolment of 78, and three Ambassador chapters with an enrolment of 15. Our total R.A. enrolment is 212.

There is one Young Men's Brotherhood with an enrolment of four. Our total enrolment in the Men's Brotherhood is 331. We had an increase of 25 in the total enrolment of men and boys over last year.

During the past year we were successful in organizing an additional Brotherhood and two R.A. chapters.

Your Brotherhood president went before the pastors' conference once this past year with a plea for their help in organizing Brotherhoods in the churches where we do not have them. From this we gained our one new Brotherhood and R.A. chapters.

We are proud of the fact that both our stewardship and our Christian witness are leading some men and boys to a saving knowledge of our Lord Jesus Christ.

We are also proud that our mission department carried our Lord's message to the hospitals and prisons throughout our association.

The Brotherhood is looking forward to the coming year. We hope to establish Brotherhoods and R.A. programs in every church. We of the Brotherhood have a great faith, first in God, second in Jesus Christ, our leader, and third in you - the church. We of the Brotherhood believe that through a brotherhood, we can live those old familiar words, "Peace on earth, good will toward men."

REPORT ON CHRISTIAN EDUCATION

Did you know that for this college year the seven Baptist Colleges - Wake Forest, Meredith, Campbell, Mars Hill, Chowan, Gardner-Webb and Wingate - turned away from their doors 5,020 students who had applied for admission? I ask you sincerely, what are you doing to help promote and sustain our Christian responsibility in this vital area of our North Carolina Baptist Convention family?

It could be that we actually pray very little for these seven Baptist colleges, their presidents, and the heavy burdens they bear, not to mention the fact that we squeeze and hold on to our dollars and limit our support.

Based upon our North Carolina Baptist population, the support we extend to our Baptist colleges is far below the support extended by our Methodist, Presbyterian and other denominational friends to their schools. Why is it? These other non-Baptist colleges have the same type student body; they have the same problems as do our Baptist colleges - yet, these other denominations put us numerous

North Carolina Baptists to shame as you compare the support we extend to our own Baptist colleges and compare the support they give to their schools.

I can't believe that many North Carolina Baptists are anti-education-yet, that conclusion must often be in the thoughts of our college leadership, and especially this year when over 5,020 young people wanted to study in one or the other of our Baptist colleges and they were turned away.

Our churches are showing improvement in their support. Yet, I do not know what would happen to several of these Baptist colleges were it not for the outstanding support they receive from some of our Methodist, Presbyterian and Episcopalian friends.

Some months ago I was present in one of our General Board meetings and one person arose and questioned why our Baptist colleges did not restrict the number of non-Baptist in our colleges. In response, it was pointed out that had it not been for a number of these key-Methodists, Presbyterians and Episcopalian friends, and foundations controlled by non-Baptists who have given so many millions of dollars to our own Baptist colleges for capital improvements, instead of 5,020 applicants being denied admission this year, that number could be doubled. I fear that we Baptists lose sight of the fact that thousands of Baptist boys and girls attend other non-Baptist and State colleges and universities in North Carolina.

Today, and in the days to come, let's stand forth and pray-support and salute our own colleges and influence our churches to do likewise. You are urged to visit your colleges. You will like what you see.

National surveys reveal that over 100,000 students wanting and needing college training were denied admission in the colleges and universities of our country this year. My friends, it is serious. Unless we begin to give greater support to these Baptist colleges, next year, the year after, your child, your grandchild, children of your own congregation who may want to attend one of these colleges may receive that sad note, "Sorry, no room."

Several parents and friends in recent weeks in rather desperate words wrote, and by long distance telephoned me, "Can't you help get my son, my daughter, in a certain Baptist college?"

There is indicated below the enrolment in these seven Baptist colleges for this year as compared with the previous year; applicants denied admission this year, and quotes given to me by each of our seven college presidents on some of the serious problems, their needs and their visions for the immediate years to come:

	1965-1966	Denied	1964-1965
Campbell	2192	450	2018
Chowan	1179	1045	1155
Gardner-Webb	1190	754	943

Mars Hill	1383	169	1402
Meredith	938	135	971
Wake Forest	2965	1499	2880
Wingate	1320	968	1486
	11, 167	5, 020	10, 855

Will you become prayerfully and personally involved with these quotes from our college presidents and leadership? "Concerned about our continued accreditation"; "There is no standing still"; "Serious lack of space"; "Holding our faculty"; "A library to hold our accreditation"; "Meeting enrolment responsibilities"; "Enlisting Christian faculty"; "Need over $2 million dollars, two dormitories and administration building"; "Will N.C. Baptists undergird us?"; "Continued explosion in applications"; "Urgent priority-library"; "Shall we become a four year college?";"To be understood and appreciated by N.C. Baptists"; "Our Baptist colleges have the answer to atheistic Communism"; "Should we reconsider and participate in Federal Government programs?"; "N.C. Baptists can provide a great university center".

Christian education, in today's world, is a must. We may not all be pleased, at all times, with the actions of students or reports that come from our college campuses. Let it be said, however, that through the years these seven Baptist colleges have made a tremendous contribution to the total mission program of our state, south-wide and world mission programs, and the total objectives of Christian education. The colleges deserve our prayers and support.

REPORT ON EVANGELISM

In 1964 churches in North Carolina reported a 9% gain in baptisms over the previous year. The Pee Dee Association reports show a decrease of 23 (or 8%) over the report of last year. Our moderator showed yesterday afternoon in his address the unfinished task that lies before our churches. We have not yet begun to reach the opportunities that are among us.

The evangelistic thrust needed now waits upon the application of proven methods and the discovery of new methods that will meet the varied needs of this new day. But methods are not enough! We wait for MEN and WOMEN totally committed to Jesus Christ in mind, body and soul.

Two of our seminaries have reflected a growing awareness of the need of our pastors to be better equipped for evangelism: special "chairs and teachers have been established to prepare our pastors for evangelism."

During the previous year we in the Pee Dee Association have had a Conference on Evangelism. Additional conferences will be conducted.

Our denomination has provided us with materials. Pastors and other leaders may obtain these materials from the Division of Evangelism, 301 Hillsboro Street, Raleigh, N.C.

The new year finds an impressive plan of activities and emphases to strengthen the local church in evangelism. Let us do our best to implement these plans.

John B. Hiott

ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF THE PEE DEE BAPTIST ASSOCIATION

The Executive Committee met three times during the past year on the following dates: October 26, 1964, February 1, 1965 and July 26, 1965.

1. Written reports were received at each meeting from the heads of the associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood. The associational treasurer made financial reports.

2. The following items of business were taken care of at the October 26, 1964 meeting: Officers for the associational Brotherhood were elected; the associational W.M.U.'s request that the $75.00 allowed them in the budget be turned over to them was approved; the request of the First Baptist Church, Laurinburg, to the General Board for $1200 aid on the Stewartsville Mission pastor's salary was approved; a report was received from a committee to study the possibility of a summer youth camp from John Hiott, chairman, and the Executive Committee instructed the Moderator to appoint a committee to expedite plans for the summer camp. There were 33 members present.

3. At the February 2, 1965 meeting, the Rev. Charles Hinson was elected associational Sunday School superintendent to replace the Rev. Sam Nixon, who had moved. John Prothro reported for the Youth Camp Committee and the Executive Committee approved $100 to help with the camp expenses. Nine members were present.

4. At the July 26, 1965 meeting, with 18 members present representing 14 churches, the Rev. Harold Mitchell, chairman, told of the plans for the Summer Youth Camp to be held the last week in August at Camp Monroe. The Rev. Richard Price told of progress at Stewartsville Mission, Laurinburg.

5. On September 6, 1965, as emergency measures, the Pastors Conference elected the Nominating Committee and approved $29.50 to get the Summer Youth Camp out of debt.

HISTORY OF THE PEE DEE BAPTIST ASSOCIATION

PRESENTED BY C. B. DEANE

ON THE 150TH ANNIVERSARY - OCTOBER 19, 1965

This sketch of the history of the Pee Dee Baptist Association on the occasion of its 150th Anniversary is intended to be a challenge to associational and church leaders to become really concerned about church history.

A table of our minutes indicates the years the respective churches were organized, but I ask, "Who can prove these dates authentic?" Actually, it may be too late for some churches to confirm their historical beginnings. These organization dates have been passed down through the decades and are accepted. If our history is to be preserved, our ministers, church clerks, deacons, and W.M.U. leaders should become seriously involved in developing church history, especially that of their own church.

I'm honored to be asked to prepare this statement because in 1927 I was elected as clerk and served continuously for 26 years. I succeeded Mr. W. J. Matthews of Wagram who had served the previous 32 years. It was during my tenure that I began to collect from sundry sources many missing copies of the Associational Minutes. This interest in the history of our association brought me in touch with the Reverend E. M. Brooks who, from 1928 until 1940, was pastor of the Peachland Baptist Church. Mr. Brooks was asked to serve as historian of the association. Jointly, we began to collect significant data on our associational history. Mr. Brooks was a gentleman advanced in years but had accumulated considerable data on the history of the Pee Dee Association. While I do not possess his notes, most of what I now record can be sustained by reference to the large Baptist Collection in the Wake Forest College Library.

Based upon data which is considered accurate, the findings of Mr. Brooks and myself resulted in a very important historical change in the Pee Dee Associational history in the year 1930. The minutes of the 1929 session indicate that it was the 37th annual meeting, when, in fact, it was the 114th annual session. From the Associational Minutes located from many sources, the study of the Baptist Collection in the Wake Forest College Library, Dr. George Paschal's History of North Carolina Baptists, and the information available to Mr. Brooks, the association approved his Historical Report at the annual session meeting with the Rockingham First Baptist Church in 1930. This correct historical change in the history of the Pee Dee Association enables us to celebrate the 150th Anniversary of the association.

Through most of these 150 years the association was generally composed of churches in Anson, Richmond and Scotland Counties. The Pee Dee Association at the time of its organization in 1816 included churches from Chatham, Randolph, Montgomery, Davidson,

Richmond, Anson and parts of other North Carolina Counties.

From Mr. Brooks report in 1930 I note some very significant information:

In 1815, at a meeting of the Sandy Creek Association with Elder John Culpepper as Moderator, it was agreed that the association be divided and a new association designated as the Pee Dee Baptist Association be formed. John Culpepper and Bennett Solomon were appointed to represent the new Pee Dee at the Baptist General Meeting (State Convention), soon to convene.

Since Mr. Culpepper appears to have been a leading spirit in the formation of the Pee Dee Association, a paragraph about this gentleman is of historical interest. While I was serving in the United States Congress for ten years (1946-1956), I determined from records in Washington that Elder John Culpepper was born near Wadesboro, Anson County, was elected as a Federalist member of Congress and served six terms between 1807 and 1829. He then retired from public life and died at the residence of his son in Darlington County, South Carolina, in January 1841, his interment being in the cemetery at Society Hill, South Carolina.

I give this account of Mr. Culpepper because associations, churches, institutions, governments and our homes involve people. I am impressed by the fact that in our early Congresses a number of men of the cloth, of all faiths, were elected to Congress and did much to fashion the policies and laws of our young nation.

The Pee Dee Association, with Culpepper and Solomon evidently in the forefront, held its first session October 19-21, 1816 at Richland Creek (Bethel in 1930) in Montgomery County. The large sum of $6.00 was allowed Messers Culpepper and Solomon for attending the Baptist General Meeting.

In 1817, the Pee Dee met with the Cedar Creek Church, now Lilesville, with the following ministers attending: John Culpepper, Daniel God, Armistead Lilly, Nathan Riley, Daniel White, Archibald Harris and Rolf Freeman, a Negro minister. I might add that the meetings of the associations in those early years indicate that many Negroes attended and were duly affiliated with the associations.

No record is available for the year 1818. In 1819 the association convened with the Bethlehem Meeting House in Richmond County. The location of this church is not now known. Mr. Brooks observes that this meeting was well attended and the program involved missions.

In 1820, the association met with the Jersey Settlement Church in Davidson County; in 1821, with Cartledge Creek; and in 1822, with the Rocky River Church in Anson County. It is interesting to note that at this meeting the association agreed to set apart "a day of fasting and prayer to God that His Gospel be spread from pole to pole."

Evidently there were those who questioned the mission enterprise because at the 1823 meeting with the Bethlehem Church in Montgomery Church the issue before the association was, "Is Missions a Cause of God?" The answer was recorded: "We believe it is a cause of God." In 1824, the association was held with Pine Woods Church, Rowan County. In 1825, meeting with Bear Creek Church, the Abbotts Creek Association was formed, leaving the Pee Dee with only 479 members.

In a circular letter written by Elder John Culpepper, printed in the Baptist Triennial Register of 1833, it was indicated that from 1825 through 1833 the Pee Dee held regular annual meetings with new churches being formed and a continued increase in converts.

From 1833 to 1899, the record of some of the meeting places has not been determined. Diligent efforts should be made to find this lost history.

It is significant that in 1899 the Richmond Baptist Association was organized at Spring Hill, Wagram. This association continued for some three years, but in 1902 reunited with the Pee Dee. Some of the leading characters in this short-lived association are names associated with contemporary history, namely Archibald Johnson, Rockingham, who served as Clerk, A. C. Dockery, Rockingham, Moderator, and J.B. Covington, Cartledge Creek Church, who also served as Moderator.

From 1893 to date I have accumulated practically all the annual minutes and the historical tables indicate meeting places and achievements. Any church of the association that may be interested in its growth and development is privileged to study these minutes.

It should be noted that in 1948 ten churches from Anson County, several having been affiliated with the Pee Dee Association from its beginning, were given letters to unite with 13 churches comprising the Anson Association.

We look back today on 150 years of significant history of the Pee Dee Association. Indeed, a great cloud of witnesses over many past decades looks down upon us today. To me it represents a challenge that we be more diligent in preserving the current as well as the missing years in our history. Time moves so swiftly, it behooves every church, through the pastor and church leaders, to choose a responsible person to assemble its organization and history from sources mentioned previously in this report.

In 1939, when the Reverend Thomas W. Hearne was pastor of the Pee Dee, Cordova and Pleasant Grove churches, it was my pleasure to work with him and the leaders of these churches. Significant data on the organization and history of each of these churches was compiled and printed in a special supplement to the minutes of the association.

Permit me to make these recommendations:

1. That the association, in the adoption of this report, go on record as acknowledging a great debt of gratitude for the sacrifice, devotion and constructive leadership of the great host of men and women who have represented and made possible the celebration of our 150th Anniversary.

2. That the association encourage and request each church to designate one of its members to give diligent thought and effort to assembling a historical account of the church, especially its beginnings, and that these accounts be edited and year by year a synopsis be printed in the Associational Minutes.

3. That the churches of the association be encouraged to place record books and significant church history with the Baptist Collection of Wake Forest College Library for safe keeping. These records would be available to the respective churches when needed.

REPORT OF RESOLUTION COMMITTEE

As the One Hundred Fiftieth Annual Session of the Pee Dee Baptist Association comes to a close, the Resolution Committee wishes to express, in behalf of the messengers and churches of our association, heartfelt gratitude and appreciation to all those who have made this annual meeting such a fine experience of Christian fellowship.

THEREFORE, BE IT RESOLVED:

1. that we express our grateful thanks to the Spring Hill Baptist Church of Wagram, and the Second Baptist Church of Hamlet for their kind hospitality in providing us with their comfortable facilities and delicious food during these sessions.

2. that we express our commendation to the program committee for an informative and inspiring program.

3. that we commend our moderator, Rev. Scott Turner, Jr., for the splendid manner of presiding over these sessions, and we join him in deep concern for the work of our association as he so ably shared with us in his presentation of the Moderator's message.

4. that we express true gratitude to Rev. Robert B. Glazner for the very fine message he delivered in the Annual Sermon; and that we join him in striving to erase the disease of prejudice from our hearts, recognizing that the God we serve is no respecter of persons, but that he died for ALL men.

5. that we voice our gratitude and appreciation for the presence and preaching of our General Secretary-Treasurer, Dr. W. Perry Crouch, and the special music presented by the Wingate College Choir.

6. that we express appreciation to Missionary Troy Bennett of East Pakistan for his message that stirred our hearts again in regard to the need of sending the Gospel around the world.

7. that we dedicate ourselves to sincere prayer for God's guidance

upon those elected to serve our association during the coming year.

We are grateful to Almighty God for the power of his presence during this associational meeting. To Him be the glory for every evidence of the triumph of Christian love and grace, and to Him we pledge anew our loyalty, devotion, and service.

REPORT ON THE SUMMER CAMP

The Pee Dee Associational Youth Camp was held August 23-26 of this year at Camp Monroe, Laurel Hill, N.C. The theme for our camp was "His Life - Our Pattern." The activities were planned so as to help each camper and staff member to re-examine themselves in the light of Christian teaching and challenge them to let their lives follow His pattern.

The mornings were given to Bible teaching, the afternoons to organized recreation, the evenings to worship led by the camp pastor and missionary emphasis led by the camp missionary.

A total of 99 campers and 17 staff members attended. This did not include the permanent staff who prepared our meals.

The total cost per camper was $12.50. Our camp missionary was the Reverend Otis Brady, formerly of the Bahamas but now serving in British Guiana.

Twelve of our churches and one mission participated with many of the churches paying part of their children's expenses.

As chairman of the camp committee and camp director, I would like to thank each who participated for their splendid cooperation and fine spirit.

As a committee, we would recommend that this ministry to our youth be continued and that a committee, to be chosen by the Executive Committee at its next meeting, be established again and carry out plans for an associational youth camp for the Pee Dee Association in 1966.

Respectfully Submitted,
Harold Mitchell, Chairman
Camp Committee

REPORT OF PEE DEE ASSOCIATION SUNDAY SCHOOL

"The first came before him, saying, Lord, thy pound hath made ten pounds more. And he said unto him, Well done, thou good servant". (Luke 19:16-17 ASV). The good servant received such commendation because he had planned in detail all of his activities in regard to his gift from the Lord. And because he had planned well he gained an increase for his Lord.

Planning in Sunday School work is similarly important. Programing Sunday School tasks requires evaluation of the present status of task accomplishment, strengthening of weak points in base operation, and lifting out particular phases of Sunday School work to be accomplished if major or strategic advance is made.

Operating a Sunday School is something like operating a home. Many activities go on all the time and must continue to go on as long as the household is operating. Such a task is washing dishes. As new needs arise, adjustments must be made. Suppose that a grandfather must move into the household. The family decides that the best thing to do is to add a room and a bath. This action would be a strategic advance for this household. It would be assigned time, effort, money, planning and priority that had been going in other directions. During the construction, base operations in the household must continue. The dishes still have to be washed, in fact additional dishes have to be washed. Now acquiring an automatic dishwasher may make the task more desirable or more pleasant.

So, in Sunday School many things will have to be carried on regularly and systematically. The better they are done, and the greater the efficiency, the greater the possibility of readjusting to the necessary requirements.

During the year 1965-66, Sunday School leaders are urged to review three Sunday School tasks with the idea of making progress in their Sunday Schools. 1. One task is, "Reaching all prospects for the church." Definite planning is needed here. It would be wise to put extra time, effort, money, and priority into planning to reach people in our communities. The Adult Thrust, year 2, will be a primary outreach project in this endeavor.

2. Another task is "Teaching the biblical revelation." Better Bible teaching is needed, and more effective learning will reduce moral and spiritual problems. This year an alternate series of Sunday School lessons for Adults and Young people will be produced. Entitled "Bearing Our Witness for Christ", it will be available for use January-March, 1966. These special lessons not only will provide a Bible study resource, but also should lead class members into a learning situation that can stimulate them in witnessing. These materials can be ordered on the regular literature order blank for that quarter.

3. "Leading all church members to witness daily" follows naturally as a task to be programed in our Sunday School outreach. Sunday School leaders are encouraged to promote through assembly programs, posters, Sunday School lessons, etc., this third phase of our Sunday School's task.

During the past year the Pee Dee Associational Sunday School department held three conferences and one workshop. The conferences were led by the Association's group leaders. The teaching workshop was under the direction of Dr. Herman Ihley of the state

Sunday School department. Approximately 145 Sunday School workers attended.

The coming year promises us another fine opportunity to promote the work of our Sunday Schools. Conferences are being planned and Action Night will be observed in September, 1966. Along with these plans we recommend to the Association the following tasks:

1. We ask the Sunday School in each church to accept an enrollment increase of 3% for 1966. This is one percent over 1965's goal.

2. That each church strive in an effort to reach all its prospects with the Word of God. Seek to enroll them in Sunday School and to teach them as our Lord has commanded us.

3. Each church is urged to observe January Bible Study week. This year's study will be the book "John's Witness to Jesus", a study of John's Gospel.

4. Each church plan to conduct a Vacation Bible School.

5. We also recommend that our churches encourage their Sunday School workers to attend the Sunday School conferences at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. Our Sunday Schools can be no better than the workers who teach in them.

Our Sunday Schools in the association reported a total enrollment in 1965 of 7,550 as compared to 7,314 in 1964.

Respectfully Submitted,
Charles Hinson

REPORT OF ASSOCIATIONAL TRAINING UNION

When we stop to realize what a great part our Training Union plays in the work of our churches, we should strive harder than ever to be "Found Faithful" in this work of our church program.

The purpose of the Training Union is expressed in the statement of the Apostle Paul, when he voiced the desire "that the man of God may be perfect thoroughly furnished unto all good works". Training Union has the responsibility of training Christians in the privileges and obligations of Church Membership. It has a great objective - to deepen the spiritual lives of its members. It has a great ministry - to help members develop specific skills. It has a great method - everyone taking a part.

During the year we had three outstanding meetings. "M" Night at the First Church of Rockingham with an attendance of 149. "Associational Tournaments" at the First Church of Hamlet with 31 attending. Our "Youth Night" program also was held at the First Church of Hamlet with an attendance of 81. All of these meetings were inspirational and challenging.

We must realize in our churches that there is a new seriousness to our need for Christian training. We Southern Baptists have

some of the finest printed material in the world. For all our workers in our Training Unions and other church organizations, adequate material is available to furnish them with information concerning their task. Yet, every year we could publish a casualty list of workers who failed in their tasks and fell by the wayside simply because they did not know what they were to do. The Training Union this year will endeavor to acquaint every worker on how to properly use these materials.

Great movements are born when great purposes and high goals are before us and when people decide to act. The Training Union challenges you to act on the facts you already know and on those which will come to your knowledge. We believe that action expels doubt and fear and gives confidence and courage.

Let us realize that there is strength in numbers. Our church training programs will be strengthened only as we all join hands in a great associational program that will lead all our churches, large and small, to greater accomplishments in the area of training.

We feel that our Training Union organizations should be used to God's Glory. To this end we dedicate ourselves.

Respectfully Submitted,
J. T. Strickland

REPORT OF THE WOMAN'S MISSIONARY SOCIETY

The year 1964-65 was a good year in Woman's Missionary Union work in the Pee Dee Association. We have 26 churches with a Woman's Missionary Society. We have 44 G.A. organizations, 36

Sunbeam Bands, and 10 Y.W.A. organizations. There are 1,114 people participating in our work. Our emphasis for the last year, along with our denominational emphasis, was worship.

We began our work by having five of our women going to Pembroke for a leadership workshop for Indian women. Some of our women attended the State Mission Study Course taught in Fayetteville.

On December 6 we went to the First Baptist Church in Rockingham to hear Mrs. W. T. Robinson, missionary to Vietnam. She helped us to see some of their problems and their need of Christ.

Many of our women attended our State Woman's Missionary Union Meeting in Greensboro. April was the month of our annual meeting at Beverly Hills Baptist Church. Here, Mrs. LeRoy Parker, our State W.M.U. President, spoke. Mr. Tom Greene also brought us a message on stewardship.

In preparation for our Woman's Missionary Union work here in the association, five of our associational officers attended W.M.U. Week in Ridgecrest. Eight of our officers attended our State Workshop at Campbell College.

Our plan is to help the ladies of this association do a better work for our Lord. To this end, a leadership workshop is planned for October 28th, at the First Baptist Church in Rockingham.

Our Y.W.A.'s organized a Y.W.A. Council. They meet every quarter. Thirty-five girls meet for fun and inspiration at Spring Hill during Focus Week. Ten attended the Y.W.A. House Party at Wake Forest College in August.

The highlight for our G.A. Work was their rally at Cordova Baptist Church in May. About 300 attended.

In August, 68 of our eight year old Sunbeams took part in a Day Camp at Hoffman. The missionary speaker was the Rev. J. J. Cowsert, Missionary to Brazil.

Now it is a new year with our emphasis on "Proclamation and Witness". To proclaim the Gospel is to declare what God has done in, and through, Jesus Christ for the salvation of men.

As we join hands with the other organizations of the Pee Dee Association, we pledge to proclaim him daily, in all we do and in all we say.

Doris Turner, President

MINUTES OF THE ANNUAL MEETING OF THE WOMAN'S MISSIONARY UNION

On April 13, 1965, the Woman's Missionary Union of the Pee Dee Association held their Annual meeting at the Beverly Hills Baptist Church. The theme of the meeting was "O Worship The King". There was 130 registered at the meeting.

After the meeting was called to order by the President, Mrs. G. Carl Lewis, Mrs. Scott Turner and Mrs. Doran Cook gave our Devotion. Mrs. Joseph Nanney then sang, "In The Hollow of His Hand".

Mrs. Lewis then welcomed those present and Mrs. Jimmy Maske, Beverly Hills W.M.U. President, stated how glad their church was to be the Host Church for the Annual Meeting.

The President asked that the Secretary have the Roll Call of Churches and each Church present was recognized. Mrs. Lewis then brought out that so many of our ladies worked that it would be wise to think about having a Day and an Evening meeting so that everyone could attend. The minutes of the last Annual Meeting were then read and approved.

Two recommendations were presented concerning amendments to the By-Laws. First--The By-Laws; Article X, Section 5, reads as follows:

Sunbeam Day Camp shall be held in July. Motion was made by Mrs. Wayne Davis that it be changed to read:

Sunbeam Day Camp date shall be set by Associational Sunbeam Band Director. It so carried.

Second--The By-Laws; Article VIII, Section 1, reads as follows:

The Executive Board shall be composed of the officers, promotional directors and any others needed. Motion was made by Mrs. Wayne Davis that we elect a Program Chairman to the Executive Board. It so carried.

The Treasurer's report was given by Mrs. D. M. Wood. Mrs. Wood presented the Budget for the year 1965-66.

A special offering was taken to help finance Leadership Training. The offering came to $53.00. After the offering, Mrs. Lewis then told how not only do we Worship as we Give, we Worship as we Plan and we Worship as we Serve. She then gave a very complete and very informative month by month review of the W.M.U. Associational progress beginning immediately after the last Annual Meeting.

Mrs. Scott Turner stood and thanked Mrs. Lewis for the Executive Board and stated that without Mrs. Lewis we could not have accomplished anything. Everyone stood and in this way said, "Thank You" to Mrs. Lewis for the wonderful work she has done in the Association.

Mrs. Lewis then introduced Mr. Tom Greene, a State worker, who spoke on "Tithe Now". Mr. Greene said he always enjoyed coming to the Pee Dee Association and that he enjoyed talking to W.M.U. members about what needs to be done in Missions and Stewardship because they would get it done. His message was a most inspiring one and very timely. We are now in the "Tithe Now" Program.

At this time our Guest Speaker for the day was introduced by Mrs. Lewis. She was Mrs. A. L. Parker.

Mrs. Parker spoke on "O Worship The King". She stated that this is an Era of Prayer--a five year emphasis. She went on to say that meetings are wonderful but the work of the Lord--the serving of the Lord is done in your own Church, Home and Community. Mrs. Parker spoke of "Wall to Wall Mission Opportunities", we all have these opportunities if we will just look for them and take advantage of them. She asked, "What is Worship?" Do we go to church to the Worship Service or do we just go to Church? Worship she stated is Adoring God--speaking to God and letting Him speak to us--Telling God that we love Him.

Mrs. Parker stated further that our responsibility is to promote Christian Missions. At the close of her message Mrs. Parker had a moment of silent prayer, she then prayed a very beautiful and meaningful prayer.

Our Time and Place Committee; Mrs. Lewis Graves, Mrs. Frances Waters and Mrs. John Taylor met and our next Annual Meeting will be April 12, 1966 at the Ellerbe First Baptist Church, Ellerbe, N.C.

The Nominating Committee, Mrs. John Hiott, Mrs. Sarah Chappell, and Mrs. Dave Gibson presented the nominations for Officers for the coming year and they were elected as presented. They are: President: Mrs. Scott Turner, Vice President: Mrs. Perry Parks, Secretary: Mrs. Wayne Davis, Treasurer: Mrs. D. M. Wood, Y.W.A. Director: Mrs. John Hiott, G.A. Director: Mrs. Leonard Rea, and Mrs. Carl T. Clayton, Sunbeam Band Director: Mrs. Ralph Gandy, Mission Study Chairman: Mrs. Charles Hulin, Prayer Chairman: Mrs. C. S. Monteith, Community Missions Chairman; Mrs. Richard Price and Mrs. John Rorie, Jr., Stewardship Chairman: Mrs. Doran Cook.

After the lunch hour an afternoon Conference was held and each Associational Officer met with her group.

Mrs. Lewis closed the Annual Meeting with prayer.
